Simply Open A Guide To Experiencing God In The Everyday:

Simply Open Greg Paul, 2015-01-13 The simplest most transformative prayer you may ever pray the five senses prayer This book invites you to a simple practice of prayer and awareness that can turn each ordinary workday into a deepening spiritual journey No matter where you are or how busy you get your five senses are always on your mind and heart responsive to what you perceive These channels of awareness can take you deeper into God's great mystery if you practice the discipline of submitting them to the One who is closer than you imagine The beauty of such a contemplative path is that you can follow it anywhere alone or in company in quiet meditation or amid the bustle of your craziest day Moment by moment you invite God to open you up eyes ears nostrils hands and mouth heart and mind And moment by moment as you open yourself you'll find yourself closer to God's grace filled and wide open heart Simply Open **The Yuletide Factor** Tim J Huff, 2015-09-01 The Yuletide Factor Cause for Perpetual Comfort and Joy brilliantly rises to the level of Tim Huff's previous best selling and award winning works Bent Hope and Dancing with Dynamite challenging a status quo population to look for and become Christmas people every day of the year But make no mistake this is not just another Christmas book but rather one that will be equally at home in a springtime picnic basket or on a summertime dock chair as it will in a December stocking hung by the chimney with care Beyond its exhilarating collection of seasonal short stories The Yuletide Factor takes readers on a timeless journey touching down when and where even nuances of the Christmas spirit have left indelible legacies often at the unlikeliest of times and in the most improbable of places Prepare yourself for an unpredictable adventure in faith an unapologetic summons for goodness a fascinating exploration of the human spirit and a tender invitation to the soul Simplifying the Soul Paula Huston, 2011-12-19 Award winning author and Benedictine oblate Paula Huston invites readers to de-clutter their minds hearts relationships and souls in a book of daily Lenten practices woven from the gospels the Desert Fathers and the author's own wealth of spiritual experience What are you giving up for Lent this year It's the expected question amongst Christian friends each spring In Simplifying the Soul Lenten Practices to Renew Your Spirit Huston asks her readers a deeper alternative sort of question How will you rid your life of excess this Lent She encourages readers to see Lent as a time to seek out silence and free themselves of stuff and to acknowledge the connections between what they pray about and what they do With honesty vulnerability and grace Huston challenges readers to move outward and act showing them how everyday actions like cleaning out a junk drawer giving away something no longer used or spending fifteen minutes in silence can be surprisingly powerful ways of experiencing a more meaningful Lent and a simpler life Whether cutting up a credit card visiting someone at the hospital or forgiving someone with whom they are angry readers experience under Huston's gentle and expert care how such practices lead to a more authentic Christian faith
