Sincerely Carter English Edition:

Zhivago's Secret Journey Paolo Mancosu, 2016-09-01 Paolo Mancosu continues an investigation he began in his 2013 book *Inside the Zhivago Storm* which the New York Book Review of Books described as a tour de force of literary detection worthy of a scholarly Sherlock Holmes. In this book Mancosu extends his detective work by reconstructing the network of contacts that helped Pasternak smuggle the typescripts of *Doctor Zhivago* outside the Soviet Union and following the vicissitudes of the typescripts when they arrived in the West. Mancosu draws on a wealth of firsthand sources to piece together the long standing mysteries surrounding the many different typescripts that played a role in the publication of *Doctor Zhivago* thereby solving the problem of which typescript served as the basis of the first Russian edition, a pirate publication covertly orchestrated by the Central Intelligence Agency (CIA). He also offers a new perspective aided by the recently declassified CIA documents by narrowing the focus as to who might have passed the typescript to the CIA. In the process, Mancosu reveals details of events that were treated as top secret by all those involved, vividly recounting the history of the publication of Pasternak's epic work with all its human and political ramifications. Sincerely, Carter Whitney Gracia-Williams, 2015-05-24 Just friends We're just friends No really She's just my best friend Arizona Turner has been my best friend since fourth grade even when we hated each other We've been there for one another through first kisses first times and we've been each other's constant when good relationships turned bad We even went to colleges that were minutes away from each other Throughout the years and despite what anyone says we've never crossed the line Never thought about it Never wanted to Until one night changed everything At least it should've Just friends We're just friends I'm only saying this until I figure out if she's still just my best friend *Angela Carter Translator and Translated* Martine Hennard Dutheil de la Rochère, Marie Emilie Walz, 2025-12-22 Angela Carter Translator and Translated situates the British writer Angela Carter within a global framework by documenting how foreign languages and cultures played a key role in her work before gaining attention internationally today notably in translation. A published translator who used translation as a creative method to fashion her fiction, Carter has now been translated into multiple languages. The essays and interviews contained in this volume show that as it moves between tongues and cultural contexts, Carter's work continues to initiate dialogues and inspire both critical and creative responses. Organised in four parts, it documents her activity as a translator and the generative role it played in her oeuvre and informed her translational poetics as well as the circulation of her work in translation on several continents, complete with testimonies of translators and adaptors who stress its inspiring force.
