

Instructions for the Individual Contest

Date	:	25 May 2023 (Thursday)
Time	:	Start at 3:00pm (Singapore time)
Duration	:	120 minutes
Venue	:	Respective schools, each participant needs an Internet device
Format	:	Invigilated, closed-book, via an online platform ("EduTony")

For the SJPO (Individual contest), schools are required to arrange invigilation for all participants from their school, at their respective school campuses, in accordance with Safe Management Measures (SMMs) if applicable. There is no requirement for video-monitoring by the organisers. Please note the following important points:

- The Individual Contest is a **closed-book** competition. Participants should not refer to any hardcopy materials during the competition and should not have any other tabs/programmes running, other than the competition website.
- No formula sheet will be provided, but a data sheet for values like the acceleration of free-fall will be provided on the platform. This data sheet will also be available during the trial session.
- Only non-programmable scientific calculators are allowed (graphing calculators cannot be used). The use of all other electronic devices during the test, such as mobile phones, pagers, PDAs, smart watches, etc. is also strictly prohibited.
- There will be 50 Multiple Choice Questions (MCQs). Some penalty for incorrect responses will be imposed to discourage arbitrary guessing. Participants can choose to leave questions blank to avoid this penalty, but they are encouraged to make an educated guess if they can eliminate some of the options.
- In the event of any urgent communications (e.g. discovered a significant problem with the questions) during the competition, this will be done via email to teachers.
- Schools should adhere as closely as possible to the start time for the SJPO (Individual contest) and invigilate accordingly to ensure fairness to all participants.
- Each participant needs an Internet device (laptop/desktop), which are either provided by students or schools.
- Schools should provide a few pieces of blank paper to each participant for rough working. These need not be collected back from students.
- All participants are to login during the trial session to familiarise themselves with the platform.
 - The questions used for the trial are just the sample questions available online (https://ipssingapore.org/events/SJPO_Sample_Questions.pdf), so participant would likely only need an estimated 5 to 10 min for the trial to familiarise themselves with the interface if they are not attempting to solve the questions during the trial.

An online platform will be used to administer the SJPO (Individual contest). Please note the following:

- All participants will receive an email (at the email address provided during registration) from support@edutony.com by **15th May 2023 (Monday) morning**, which provides their login credentials.
- The teacher-in-charge from each school will also receive such an email so that they can also familiarise themselves with the platform if they wish.
- If teachers/students have not received such an email (*did you check your spam folder?*) by 12noon on 15th May 2023 (Monday), they can click on "Forgot password?" at <https://courses.edutony.com/#/user/login> to receive a password-reset email.
