Sin Boldly A Field Guide For Grace Cathleen Falsani:

Sin Boldly Cathleen Falsani, 2008-09-23 Grace is everywhere all around us all of the time We only need the ears to hear it and the eyes to see it It is much easier and perhaps more helpful to describe what grace feels like through stories and images that illustrate the varied ways grace is experienced when encountered in the wild than it is to attempt to define it definitively to trap it and cage it Maybe that's why Jesus was so fond of parables nothing describes the indescribable like a memorable yarn *Sin Boldly A Field Guide for Grace* is a collection of stories about the author's experiences with grace in ridiculous moments and in those that seem trivial but are anything but in wacky adventures and quiet walks with family and with strangers in bars nightclubs the occasional house of worship and in her own home and through conversations with people some famous and some not who have introduced her to grace in new ways that in turn have shaped her faith and the way she tries to live it *Sin Boldly!* Ted Peters, 2015-06-01 Can faith as trusting God make a difference Absolutely by relieving our anxiety over self justification and the need to scapegoat others *Sin Boldly* provides an experiential analysis of the contrast between self justification and justification by God We must pose the question how can the gospel of grace provide transformation for both fragile and broken souls This book proposes the following answer trusting in the God of grace relieves anxiety and provides a divine vocation that transcends our moral universe with the promise of forgiveness renewal and resurrection *O Me of Little Faith* Jason Boyett, 2010-04-27 In this *O Me of Little Faith* Ebook author Jason Boyett brings you a transparent and personal account of his own struggles with doubts and unbelief in living out his faith With humor and frankness Boyett uses personal anecdotes and a fresh look at Scripture to explore the realities of pursuing Christ through a field of doubt After three decades of knowing God understanding Christianity and living a Christian life Boyett has come to the place where he can voice the tough questions and travel the road of uncertainty with blinders off candor on The message along the way is one of encouragement Relax Rely on the grace of a merciful God a kind father who realizes that his finite creatures must have doubts should have questions and will have trouble making sense of an infinite Creator Ultimately Boyett concludes that doubt and faith are not polar opposites but actually work together existing side by side Uplifting entertaining hopeful *O Me of Little Faith* will strike a chord with you and any Christian who's dealing with the uncertainties of living life in pursuit of a God who occasionally seems to disappear ***The Road Away from God*** Jonathan Martin, 2022-06-07 It's no easy journey disentangling the good news of the gospel from the toxic theologies that have rendered Jesus unrecognizable It's no wonder the church has sent many walking In *The Road Away from God* Jonathan Martin reimagines Luke's story of two disillusioned disciples walking the Emmaus road away from the holy city where they had watched their hope die a gruesome death right before their eyes For anyone who is feeling their faith unravel reckoning with religious trauma or walking the long road of deconstruction Martin speaks compassionate hope into the journey of today's disillusioned disciples revealing that the resurrected Christ is profoundly present with them even on what seems to be the

road away from God With a pastor s heart and poet s touch as Rachel Held Evans once wrote of Martin this is a book to help you feel seen in your spiritual journey and all its complexities and to find resurrection even where you least expect it

Leader Lies Matt Wade,2014-08-21 Lyings easier isnt it In *Leader Lies* Matt Wade leans into the deep reasoning as to why pastors and church leaders lie about things that really dont matter Of course lying always matters but the root cause of lying goes much deeper than you think What if lying about lifes situations reveals a gaping hole in our character What if lying is more than trying to get out of an undesirable situation What if fear actually drives our proclivity to lie Matt uncovers these issues with humor but deals a punch to the soul with biblical truth Be sure that after reading this book you will reconsider the ease of lying and lean into a spirit of truth even when its uncomfortable Its truth time *MOMumental* Jennifer Grant,2012-05-01 Celebrating the joyous art of being a mother *MOMumental* offers an inspiring honest and infectious humorous look at the perils and pleasures of raising a family in the real world Once a devout believer in the myth of the perfect mother author Jennifer Grant now has a more realistic yet still upbeat view of parenting and families Instead of focusing on creating a conflict free home raising picture perfect kids and being an ideal mother Grant offers a wiser and more down to earth way to love your children that makes room for mistakes and imperfections She says I share stories about family life and how I ve come to appreciate the mess of it I am grateful for my own happy idiosyncratic and imperfect family *MOMumental* is one mother s account of the unpredictable creative sometimes hilarious and always rewarding process of raising a family It s filled with funny and poignant stories from her everyday life a life that mothers everywhere can identify with *MOMumental* is a book about parenting family and intentional relationships for readers who normally avoid such fare like an overzealous street evangelist Raises hand Its wit and wisdom completely enraptured me A delightful and surprising gift to us all Cathleen Falsani award winning journalist and author *Scouting the Divine* Margaret Feinberg,2009-10-06 Join beloved Bible teacher Margaret Feinberg as you learn how to move from simply reading Scripture to entering stories that can be touched tasted smelled and savored The Bible is full of clever plots and compelling stories laced with historic insights and literary beauty But despite its richness and depth many of us struggle to close the gap between the ancient world and our own What does it mean to know that Jesus is the Good Shepherd when the only place you ve encountered sheep is at a petting zoo How can you understand the promise of a land overflowing with honey when you buy yours in a bear shaped bottle Can you truly grasp the urgency of Jesus invitation to abide in the vine when you shop for grapes at a local grocery store In *Scouting the Divine* Margaret invites you to accompany her on the adventure of a lifetime across the nation to herd sheep in Oregon harvest fields with a Nebraska farmer prune vines in California and explore hives with a veteran beekeeper in Colorado Along the way you ll explore how ancient livelihoods illuminate meaningful truths that apply to life today With Margaret s trademark humor and vulnerability you ll Learn the secret of how to live like you have a shepherd Unlock the sweetest promises of God Discover the gift of divine timing *Scouting the Divine* will revolutionize the way you
