Monastic Practices Charles Cummings,2015-12-07 For three decades Monastic Practices has been a valued resource for English speaking aspirants to monastic life In this revised edition updated and expanded Charles Cummings OCSO explores the common practices of the monastic life in order to rediscover them as viable means of leading persons to a deeper encounter with God How do monks and nuns occupy themselves throughout the day Have they modernized their lifestyle or is it still cluttered with medieval customs Could any of the monastic practices be of use to those outside the monastery A certain wisdom is necessary to know how to use such practices and how to give oneself to them until they lead one to God After long monastic experience Cummings shows us how the ordinary things we do constitute our path to God In the art of living life he argues we are always beginners searching for God through our concrete circumstances and actions The Speed of Soul Tommy Brown,2025-10-07 Reclaim a Life of Purpose and Peace In today s fast paced world many of us feel stretched thin overwhelmed by too much or find ourselves longing for a more grounded life We wonder if it is possible to slow down and live more purposefully when life is so demanding busy and stressful We want something beyond quick fixes or surface level relaxation tips to help us find the fulfillment and peace our souls crave In a society that glorifies success at any cost The Speed of Soul offers a countercultural approach to living with purpose peace and intentionality Tommy Brown invites readers to embrace four transformative spiritual practices rooted in timeless wisdom love deeply live quietly mind your own affairs and work with your hands that bring clarity and calm amidst the chaos The Speed of Soul will help readers Find calm and clarity by practicing love stillness and purposeful work Step away from comparison and cultivate confidence through focused quiet living Reconnect with what matters by aligning your values with intentional actions Rediscover joy and meaning in everyday tasks relationships and your inner life Reclaim a centered fulfilled life free from the pressures of a constantly demanding world and embrace the power of intentional living today **The Letters of an Unexpected Mystic** Robert D. Flanagan,2022-07-20 The apostle Peter is a pillar of the church whose writing has been overlooked until recently when scholarship remedied this gap significantly elevating Peter s letters However one critical area has been omitted Within the Petrine writing is a robust empowered and beautiful mystical theology which makes Peter an unexpected but vital Christian mystic In exploring his love of artwork German theologian and priest Romano Guardini developed the Threefold Seeing which has been brought to light by Yvonne Dohna Schlobitten of the Pontificate Gregorian University His unique method of viewing the artist artwork and observer develops a way of encountering the world and word Instead of looking at the world or the biblical text through separate vantage points the Threefold Seeing integrates all disciplines under greater view of God the artist of all creation The Letters of an Unexpected Mystic employs Guardini s Threefold Seeing to encounter the mystic Peter and the Petrine mystical theology The result is a book that provides its readers with a means to become the Christian Karl Rahner wrote about in 1971 The devout Christian of the future will either be a mystic one who has

experienced something or he will cease to be anything at all Christian Eco-Spirituality Robin A. Parry, 2025-10-16 Is there nothing distinctive that Christians can contribute to the environmental cause beyond human resources responsible citizenship and consumer power Robin Parry argues that what Christianity has to offer is a distinctive spirituality one that provides a rich rationale for creation care principles to guide it and the resources to empower equip and form people to walk the pathway with resilience This book seeks to bring into focus the critical importance of God's creation inherent in Christian theological beliefs spiritual action and ethical values It explores a range of biblical teachings and practices that help us to see the world with new eyes discerning the presence of God's Wisdom at the heart of all things At its core this is a book about a slow spirituality one that helps us reconnect with the rhythms of the natural world as we learn what it means to inhabit creation as creatures living alongside other creatures with faces turned towards our Creator *Visions of Truth* Mara Lief Crabtree, 2023-11-30 This book is the first ever written on the meaning and value of using art forms in the ministry of spiritual direction The use of art by spiritual directors has the capacity to deepen understanding and enrich the full experience of spiritual direction Included are the biblical theological and very practical aspects related to the use of art how these truths are expressed in various genres of art and in ways that bring depth of knowledge wisdom and guidance in understanding one's relationship with God and others as well as the possibilities for further growth and maturity in those relationships The text is written for spiritual directors their mentors and supervisors and for those receiving the ministry of direction It provides encouragement and is instructive for all those desiring to increase their knowledge understanding and level of experience in the profound opportunities for individuals spiritual formation conformation and transformation in the ministry of spiritual direction **Impossible Recovery** Hannah Lucas, 2025-01-14 The medieval mystic Julian of Norwich 1342 after 1416 is the first known woman to author a book in the English language recognized today for her strikingly optimistic claim that all shall be well Her visionary text *Revelations of Divine Love* is the product of many years of contemplation written and revised after a life changing event of near fatal illness and divine revelation Hannah Lucas explores the entanglement of illness and revelation in Julian's writings illuminating the unexpected commonalities between the medical and the mystical and their significance for philosophies of health Framed by an original application of post Heideggerian philosophy *Impossible Recovery* offers a vivid new interpretation of the medieval mystic as crafting a proto phenomenological theology of well being Lucas's careful readings pay close attention to Julian's mystical language and poetics revealing the surprising resonances of her writings with modern and postmodern thought Refracted through Julian's *Revelations* this book advances a powerful existential query about the possibilities of recovery of well being and of medieval history *Apocalyptic Patience* Andrew Shanks, 2024-07-11 Andrew Shanks brings together a grand narrative of theology and continental philosophy to argue that the solidarity of the shaken is the kingdom of God in secular dress Shanks engages with the philosophy of Jan Patocka specifically his *Heretical Essays in the Philosophy of History* which culminate in the

concept of the solidarity of the shaken Such solidarity is quite simply that which empowers the most radically thoughtful openness to others embattled against even the most repressive closure a solidarity without any other essential qualification Split into three distinct parts Shanks begins by discussing Patocka's philosophico-centric grand narrative and drawing wider reference to the pre-philosophic origins of Abrahamic religious tradition This is followed by an exploration of mystical theology Christian and Islamic of its decay into mysticism and its influence on Christian and Jewish gnostic traditions The final third presents a discussion on ethical phenomenology Analysing the proponents of a pathos of shakenness such as Kierkegaard Levinas Løgstrup he juxtaposes 19th century thinkers such as Arendt and Hegel with Heidegger and Strauss as he moves through the century and eventually to the rise of secular public conscience movement Visions of the Good Life, 2025-11-13 There is something wrong with us and the world we find ourselves in In the Christian tradition the concept of God's salvation describes the divine intervention to overcome this brokenness However such language might easily be misunderstood in the increasingly secular West To make the reality of the doctrine of salvation understandable relevant and attractive for Europeans in the West we might begin to think of it more in terms of relationship well being and wholeness Using a Biblical term salvation is about the Shalom of the Reign of God This volume explores the lived salvation practices of faith communities and missions and their conceptualisations in the West how is the good life perceived and practiced Contributors are Clive Marsh Jan Martijn Abrahamse Dejan Adaji K Francis Adebayo Philip Bartholom Janel Kragt Bakker Nigel Rooms Karen Zwijze Koning Hans Schaeffer Berdine van den Toren Lekkerkerker Jack Barentsen Chris James Sake Stoppels Annemieke de Jonge Bert Roor Evelien van Duffelen Harvey Kwiyan James Butler Kathy Ross Ross Lockhart and Stefan Paas *Spirituality and Holistic Spiritual Health* Simon Lasair, 2025-09-24 Spirituality and Holistic Spiritual Health makes the case for the key role that spiritual care and chaplaincy work play in healthcare Chapters articulate an innovative approach to spirituality spiritual health and spiritual care that integrates concepts from healthcare research psychology neuroscience philosophy theology and religious studies By engaging all these fields this book offers a comprehensive understanding of spirituality and spiritual health while also describing clinical techniques and insights that can be used at the frontlines of care This book will be of interest to those researching chaplaincy and spiritual care practices to professional Spiritual Care Practitioners chaplains themselves and to those who work in mental health and spirituality in healthcare more generally Truth and the Church in a Secular Age David Jasper, Jenny Wright, 2013-05-07 Exploring the place of Christianity the Church and their claims to uphold the truth in an age of post truth Truth and the Church in a Secular Age takes an approach both historical in its depth and contemporary in its concerns **Silent Rosary** Addison Hodges Hart, 2021-07-09 The twenty mysteries of the rosary are a circular gallery a matrix of theology and spirituality They can inspire us profoundly For those seeking a deeper encounter in faith these mysteries have the power to move us toward contemplation A lengthy Introduction explains in detail the meaning of the term mystery in Christian thought provides a brief
