

Title - Sugarless yet sweet

Having diabetes is tough

You have to resist sweets

No excuse is good enough

Let it be big portions or big sweets

Galactose is known as the the brain sugar

Life without sweets sucks like having a tumor

Pancreas is angry not secreting enough insulin

But that's fine we'll get through it

Medicine everyday is necessary

Can't leave them our best buddies

Sugar free products are like miracle

A light at the end of the tunnel

A little discipline and strictness for diabetes

Can lead to fitness and is the best remedy

Health is most important for a human being

Let's still enjoy a life that's sugarless yet sweet !

Similes About Diabetes

Marcel A. Müller
