Regional Theatre Directory, 2002-2003 Directories Theatre, 2002-06 *Robert De Niro at Work* Adam Ganz, Steven Price, 2020-11-09 Robert De Niro at Work is the first critical study to examine how Robert de Niro perhaps the finest screen actor of his generation works with screenplays to imagine prepare and denote his performance In categorising the various ways in which De Niro works with a screenplay this book will re examine the relationship between actor and text This book considers the screenplay as above all a working document and a material object present at every stage of the filmmaking process The working screenplay goes through various iterations in development and exists in many versions on set each adapted and personalised for the specific use of the individual and their role As the archive reveals nobody works more closely with the script than the actor and no actor works more on a script than De Niro **The Great Gatsby: The 1926**

Broadway Script James L. W. West III, Anne Margaret Daniel, 2024-04-25 The cultural ubiquity of The Great Gatsby is such that it is tempting to think we know almost all there is to say about it But F Scott Fitzgerald s most famous work still has the capacity to surprise us Perhaps few admirers of the novel know that it was also adapted for the stage by Owen Davis In 1926 a successful production ran at the Ambassador Theater in New York City This edition presents for the first time in print the original Broadway script a fascinating social and literary document now all but forgotten The play re forged Fitzgerald s novel into a fast moving dramatization of parties and bootlegging dancing and drinking hot jazz adultery and violence It afforded an evening of first rate entertainment for Manhattan theatergoers Incorporating photographs of the original sets

and actors reviews and publicity pasted into Fitzgerald's scrapbooks this volume lifts the curtain anew on a singular drama
