Taking Sides 6th Edition:

Taking Sides Eileen L. Daniel, 1997-04 *Taking Sides Clashing Views on Controversial Issues in Health and Society* 6th edition is a debate style reader designed to introduce students to controversies in health science and personal health. The readings, which represent the arguments of leading health care professionals, policymakers, and social commentators, reflect a variety of viewpoints and have been selected for their liveliness and substance and because of their value in a debate framework. For each issue, the editor provides a concise introduction and postscript summary. The introduction sets the stage for the debate as it is argued in the yes and no readings, and the postscript briefly reviews the opposing views and suggests additional readings on the controversial issue under discussion. By requiring students to analyze opposing viewpoints and reach considered judgments, *Taking Sides* actively develops students' critical thinking skills. It is this development of critical thinking skills that is the ultimate purpose of each of the volumes in the widely acclaimed *Taking Sides* program. Book jacket

Taking Sides: Clashing Views on Psychological Issues, Expanded Brent Slife, 2010-07-07 *Taking Sides* volumes present current controversial issues in a debate style format designed to stimulate student interest and develop critical thinking skills. Each issue is thoughtfully framed with an issue summary, an issue introduction, and a postscript or challenge questions. *Taking Sides* readers feature an annotated listing of selected World Wide Web sites. An online Instructor's Resource Guide with testing material is available for each volume. Using *Taking Sides* in the Classroom is also an excellent instructor resource. Visit www.mhhe.com/takingsides for more details.

Science, Technology, and Society Sal P. Restivo, 2005 Emphasizing an interdisciplinary and international coverage of the functions and effects of science and technology in society and culture, *Science, Technology, and Society B* contains over 130 A to Z signed articles written by major scholars and experts from academic and scientific institutions and institutes worldwide. Each article is accompanied by a selected bibliography. Other features include extensive cross referencing throughout, a directory of contributors, and an extensive topical index.

Taking Sides Alison Alexander, Jarice Hanson, 2003 This debate style reader is designed to introduce students to controversies in mass media. The readings, which represent the arguments of leading scholars and media commentators, reflect a variety of viewpoints and have been selected for their liveliness and substance and because of their value in a debate framework. *Taking Sides* actively develops critical thinking skills by requiring students to analyze opposing viewpoints and reach considered judgments.

Taking Sides Richard C. Monk, 2001 Presents opposing viewpoints on nineteen controversial issues related to crime and criminology, covering race and gender, prison programs, policy analysis, and other topics.
