anything Many stories have been told about Chippendales all of them are mostly the narratives of the perpetrators that stole the empire and cleverly they have managed to make their story very believable and credible Silenced by intimidation threats and a corrupt Justice system not anymore For the first time Jesse is revealing the true story in Bowtie Legacy **Leaves from the Garden of Eden** ,2010-09-23 In Leaves from the Garden of Eden Howard Schwartz a three time winner of the National Jewish Book Award has gathered together one hundred of the most astonishing and luminous stories from Jewish folk tradition Just as Schwartz s award winning book Tree of Souls collected the essential myths of Jewish tradition Leaves from the Garden of Eden collects one hundred essential Jewish tales As imaginative as the Arabian Nights these stories invoke enchanted worlds demonic realms and mystical experiences The four most popular types of Jewish tales are gathered here fairy tales folktales supernatural tales and mystical tales taking readers on heavenly journeys lifelong quests and descents to the underworld There is a dybbuk lurking in a well a book that comes to life and a world where Lilith the Queen of Demons seduces the unsuspecting Here too are Jewish versions of many of the best known tales including Cinderella Snow White and Rapunzel Schwartz s retelling of one of these stories The Finger inspired Tim Burton s film Corpse Bride The Secret Teachings of Mary Magdalene Claire Nahmad,Margaret Bailey,2012-01-01 This in depth commentary on the lost material of The Gospel of Mary Magdalene presents Jesus most important and misunderstood disciple as you ve never seen her before Discovered in fragments in Egypt in 1945 The Gospel of Mary remains one of the most controversial texts of early Christianity This translation of Mary s teachings from the original Greek and Coptic offers a unique new perspective authors Claire Nahmad and Margaret Bailey utilized inner listening to uncover lost material and they present Mary s ideas in the form of a dialogue between the risen Savior and His disciples Most importantly The Secret Teachings of Mary Magdalene includes a description by Mary of special revelations given to her by Jesus Nahmad and Bailey argues that Mary was not just the consort of Christ but the feminine Christ herself and in their view the partnership between Jesus and Mary exemplifies the crucial balance of male and female in spiritual and corporeal life It s an interpretation that uncovers a rich subtext in Mary s words offering wisdom on an extraordinary range of concerns from the origins of the human race to the pathway to Christlike consciousness **Archives of Labor** Lori Merish,2017-05-04 In Archives of Labor Lori Merish establishes working class women as significant actors within literary culture dramatically redrawing the map of nineteenth century US literary and cultural history Delving into previously unexplored archives of working class women s literature from autobiographies pamphlet novels and theatrical melodrama to seduction tales and labor periodicals Merish recovers working class women s vital presence as writers and readers in the antebellum era Her reading of texts by a diverse collection of factory workers seamstresses domestic workers and prostitutes boldly challenges the purportedly masculine character of class dissent during this era Whether addressing portrayals of white New England factory girls fictional accounts of African American domestic workers or the first person narratives of Mexican women working in the missions of Mexican California

Merish unsettles the traditional association of whiteness with the working class to document forms of cross racial class identification and solidarity In so doing she restores the tradition of working women s class protest and dissent shows how race and gender are central to class identity and traces the ways working women understood themselves and were understood as workers and class subjects [A Treasury of Tales](#) ,1885 [Transnational Horror](#) Cüneyt Çakırlar,2025-01-20 Adopting a multi method critical approach to the global revival of folklore themed horror media Transnational Horror contests Anglophone film scholarship s widespread adherence to its own film historical canons Navigating alternative meanings of folk horror and locating these meanings within a transnational framework the volume proposes a curatorial paradigm of critical transnationalism in the study of global film cultures and genre formations The book proposes an alternative genealogy of horror media a genealogy that decolonises in provincialising the dominant film historical canons associated with the horror genre and contributes to the formation of a transnational field of horror criticism that troubles the normative geopolitics of canonisation in film and genre studies Through diverse accounts of scale and regionality as categorical markers of screen media the contributors to the volume develop critical tools to address the mobility of folk horror as mode and as genre which operates within and beyond the normative registers of national belonging
