Joseph Conrad: Contemporary Reviews John G. Peters, Allan H. Simmons, 2023-01-26 Joseph Conrad Contemporary Reviews five volumes is an indispensable resource for Conrad specialists and students of literary Modernism generally aiming to provide as complete a view as possible of the contemporary reception of Joseph Conrad's works in the English speaking world These volumes offer insights into early twentieth century reviewing practices the marketing of literary fiction and the wide interest in such writing as reviews of Conrad's work regularly appeared in provincial and colonial newspapers Contemporary Reviews Volume 5 offers previously unavailable reviews spanning Conrad's career from Almayer's Folly 1895 to Last Essays 1926 The nearly one thousand reviews collected here chart the consolidation of Conrad's reputation as a major English author recording his impact upon late Victorian literature and demonstrating how he helped shape literary Modernism Articulating areas of critical interest that continue to attract readers and commentators today the Contemporary Reviews confirm Conrad's growing stature in the colonial literary marketplace

The Mirth of Nations Christie Davies, 2017-07-28 The Mirth of Nations is a social and historical study of jokes told in the principal English speaking countries It is based on use of archives and other primary sources including old and rare joke books Davies makes detailed comparisons between the humor of specific pairs of nations and ethnic and regional groups In this way he achieves an appreciation of the unique characteristics of the humor of each nation or group A tightly argued book The Mirth of Nations uses the comparative method to undermine existing theories of humor which are rooted in notions of hostility conflict and superiority and derive ultimately from Hobbes and Freud Instead Davies argues that humor merely plays with aggression and with rule breaking and that the form this play takes is determined by social structures and intellectual traditions It is not related to actual conflicts between groups In particular Davies convincingly argues that Jewish humor and jokes are neither uniquely nor overwhelmingly self mocking as many writers since Freud have suggested Rather Jewish jokes like Scottish humor and jokes are the product of a strong cultural tradition of analytical thinking and intelligent self awareness The volume shows that the forty year popularity of the Polish joke cycle in America was not a product of any special negative feeling towards Poles Jokes are not serious and are not a form of determined aggression against others or against one's own group The Mirth of Nations is readable as well as revisionist It is written with great clarity and puts forward difficult and complex arguments without jargon in an accessible manner Its rich use of examples of all kinds of humor entertains the

reader who will enjoy a great variety of jokes while being enlightened by the author's careful explanations of why particular sets of jokes exist and are immensely popular. The book will appeal to general readers as well as those in cultural studies.

Sirius and Other Stories Ellen Thorneycroft Fowler, 1901 *Saturday Review of Literature*, 1924 *The Ugly Beautiful Tale of a Stupid, Stupid, Heart* Levi Cheruo Cheptora, 2016

The Ugly Beautiful Tale of a Stupid Stupid Heart is a riveting tale of a blind carefree yet kindest of the hearts that will amuse and anger tickle and unfortunately makes you shed a tear. Set in Mount Elgon Western Kenya, the book tells a story of two neighboring families, that of Joram and that of Sikowo, hailing from the Bok who happens to be the majority and the Ndorobo, apparently a persecuted minority, respectively. At the core of their perennially paradoxical relationship is the ever emotive issue in our modern day Kenya land. This is not a love story; neither is it a story about love. *The Ugly Beautiful Tale of a Stupid Stupid Heart* is a story fictitious and real yet imaginatively recounted and recreated anew about living a lie a day at a time until death suddenly fiercely shuts its dark door of mercy and tramples one upon the vast emptiness. This is especially the case when David and Wairimu, apparently engaged in a forbidden passion, unfortunately finds themselves in the unforgivable cruel and menacing jaws of death in Runyenjes thanks to a bloodthirsty mob that is on a killing spree and eager to avenge the deaths of their fellow tribesmen butchered earlier in Rift Valley. Kisumu and the Coast. David is a dynamic character whose emotions, attitudes, and temperaments are unfathomable. After betraying his childhood sweetheart Chebet and subsequently abandoning her in her most needy hour to face an accusing world after an unexpected pregnancy, all by herself, he discreetly falls in love with Wairimu. Wairimu is an exceedingly beautiful, gorgeous, exquisite, marvelous, and amazing young woman whose irresistible charms, wit, and affection takes his life to places unknown and finally to his grave. The book explains how successive regimes helped plant a seed of animosity between the two Sabaot sub-tribes, watered it, and pruned its branches until its fruition stage. After decades of blatant indecisiveness, Sabaot Land Defense Force was born. The bloodthirsty militia will eventually set up a parallel government and fronted a leader of its choosing who won the Mount Elgon constituency parliamentary seat with a landslide in the contested 2007 Kenyan General Elections. The book also wittingly revisits the 2007/2008 Post-Election Violence, why it all had to happen, why it might happen yet again, and implicitly offers a pathway that might save Kenyans from an imminent recurrence. Most important in detail, it explains the recipes that often give birth to militias in modern day Kenya, whose illegitimate act of trying to solve a legitimate issue is rarely refreshing, as was the case with Sabaot Land Defense Force. More so, the book gives you an ideal picture of how it was living through those turbulent moments when Kenyans maimed, beheaded, evicted, forcibly circumcised, robbed, raped, and shattered lives of fellow Kenyans. It is a necessary retreat to that ugly past that we would have loved to forget as soon as last year, that past that is indeed a dark chapter in our history as a country that we must draw meaningful lessons from. We must thus make it our default duty, reminding our seemingly ever self-centered, crafty, and unpredictable leaders that never again should they take us back there. *The Ugly Beautiful Tale of a Stupid Stupid Heart* is a unique nostalgic

and candid manifestation of our everyday struggles challenges and hurdles in life with self and others Many a time such hurdles are direct consequences of personal decisions resulting from the usual interactions and the seemingly never ending complex relationships with our friends relatives neighbors and the ruling elite in our society *Guns and Contemporary Society* Glenn H. Utter, 2015-12-01 This three volume set examines various approaches to firearms including constitutional and legal issues public health and criminal justice concerns and perspectives on personal safety and self defense Recent mass shootings have led to renewed calls for additional legislation at the state and federal levels to address gun access and control In this hard hitting compilation experts delve into various aspects of firearms in America from gun control and gun rights to militia movements to school related shootings and to the recent trends in gun ownership by women Authors from varied backgrounds and viewpoints share their perspectives on the pros and cons of firearm ownership as all of the following a constitutional right a key instrument of self defense a guarantee of political freedoms and as a major factor in crime and personal injury The reference is divided into three volumes The first volume covers firearm history legislation and policy the second volume explores public opinion gun ownership trends international laws and self defense and the third considers popular debates about firearm policy including concealed carry of firearms terrorism and the ownership of firearms background checks for purchasing guns and stand your ground laws The work concludes with an informed debate on gun policy between Richard Feldman president of the Independent Firearm Owners and Paul Helmke former president of the Brady Campaign to Prevent Gun Violence *The American Heritage Guide to Contemporary Usage and Style* Houghton Mifflin Company, 2005 Survey of English usage grammar and style offering guidance on almost any writing problem imaginable **Folktales and Fairy Tales** Anne E. Duggan Ph.D., Donald Haase Ph.D., Helen J. Callow, 2016-02-12 Encyclopedic in its coverage this one of a kind reference is ideal for students scholars and others who need reliable up to date information on folk and fairy tales past and present Folktales and fairy tales have long played an important role in cultures around the world They pass customs and lore from generation to generation provide insights into the peoples who created them and offer inspiration to creative artists working in media that now include television film manga photography and computer games This second expanded edition of an award winning reference will help students and teachers as well as storytellers writers and creative artists delve into this enchanting world and keep pace with its past and its many new facets Alphabetically organized and global in scope the work is the only multivolume reference in English to offer encyclopedic coverage of this subject matter The four volume collection covers national cultural regional and linguistic traditions from around the world as well as motifs themes characters and tale types Writers and illustrators are included as are filmmakers and composers and of course the tales themselves The expert entries within volumes 1 through 3 are based on the latest research and developments while the contents of volume 4 comprises tales and texts While most books either present readers with tales from certain countries or cultures or with thematic entries this encyclopedia stands alone in that it does both
