the Relationship Guide to make Him or Her commit Julius F. Rafael, 2013-07 The Master Love Collection the Relationship Guide to make him or her commit is a collection of short poems followed by a complete explanation that truly explains how to get him or her to commit Each poem is a unique piece of work that has been recited throughout the United States and each poetic piece can be used to help gain commitment points This book covers but not limited to the cheating man how to approach a woman and how to sexually satisfy her This book is not intended to be read in chronological order because it touches on several different relational topics For example the reader can skip to the end of the book and visit the Woman s Sport Cheat Sheet This Cheat Sheet explains why men love sports and it also explains how a woman can use sports to gain commitment points from the man she is dating The Woman s Sport Cheat Sheet explains his sport in plain English Upon dating several women Julius has decided to write this book and introduce strategies and methods that can be used to make a relationship flourish After being with a woman for more than a decade and never fully committing he finally figured out why he did not commit to her In his book he mentions several reasons why he and other men such as himself don t want to fully commit Before changing his ways Julius dated 100 s of women and upon dating them he discovered what they want These women have been either single or married In his book he also list several ways to sexually satisfy a woman by using his Top Ten Sex positions that s guaranteed to make her have an orgasm Upon reading this book the reader will discover that this book is unlike any other because not only does he speak to men he also speaks to women by telling them how to get the opposite sex to commit *The Ideology of Conduct (Routledge Revivals)* Nancy Armstrong, Leonard Tennenhouse, 2014-06-17 In *The Ideology of Conduct* first published in 1987 scholars from various fields from the medieval period to the present day discuss literature in which the sole purpose is to instruct women in how to make themselves desirable This collection investigates how middle class writers who had long emulated the behaviour of the aristocracy began to criticise that behaviour by formulating an alternative object of desire They did so without appearing to breed political controversy because it seemed to concern only the female But writing for and about women in fact became a powerful instrument of hegemony as it introduced a whole new vocabulary for social relations induced certain forms of economic behaviour as desirable in men and women respectively and insured the reproduction of the nuclear family It is argued therefore that the literature of conduct not only recorded but also assisted the production of our contemporary gender based culture **On Some of Shakespeare's Female Characters** Helena Faucit Martin, 1904 [The Complete Home Learning Sourcebook](#) Rebecca Rupp, 1998 Lists all the resources needed to create a balanced curriculum for homeschooling from preschool to high school level [Female Education in Ireland 1700-1900](#) Deirdre Raftery, Susan M. Parkes, 2007 The history of formal education for Irish women was characterised by a dichotomy should a girl be educated for the private sphere and a dutiful subservience or should she be educated for independent thought and paid employment Her role models were either

women who like Minerva the goddess of wisdom valued intellectual pursuits or women who like the Madonna were pious and dutiful and accepted that their primary role was motherhood This book is the only complete study of the formal education of Irish women and girls Based on extensive research in original sources it presents a fascinating social history of the educational experience of the female gender in Ireland between 1700 and 1920 The book which examines its theme in three major sections covers every aspect of formal and indeed informal schooling and tuition Consequently the reader is introduced to such areas as private education orphanages industrial schools national schools convents intermediate schools and colleges of higher education Section One examines the history of education prior to the intervention of the state Sources include records of private education charity schools and foundations of the early Catholic teaching orders Section Two examines state intervention The introduction of the national school system brought mass literacy to girls of the lower classes but with a gendered curriculum At convent and boarding schools middle class girls received an education suited to their roles in life However in the mid nineteenth century we find the genesis of the concept of academic education for girls Finally Section Three deals with the intellectual liberation of women with particular reference to state support for Intermediate education from 1878 and the campaign for access to higher education for women Formal education brought with it an opening of the professions and facilitated access to a range of paid employment for women

medieval hagiography Medieval Saints and Modern Screens stakes the claim for a provocative new methodological intervention consideration of hagiography as media More precisely hagiography is most productively understood as cinematic media Medieval mystical episodes are made intelligible to modern audiences through reference to the filmic the language form and lived experience of cinema Similarly reference to the realm of the mystical affords a means to express the disconcerting physical and emotional effects of watching cinema Moreover cinematic spectatorship affords at times a more or less secular experience of visionary transcendence an agape ic encounter The medieval saint s visions of God are but one pole of a spectrum of visual experience which extends into our present multi media moment We too conjure godly visions on our smartphones on the silver screen and on our TVs and laptops This book places contemporary pop culture media such as blockbuster movie The Dark Knight Kim Kardashian West s social media feeds and the outputs of online role players in Second Life in dialogue with a corpus of thirteenth century Latin biographies Holy Women of Li ge In these texts holy women see God and see God often Their experiences fundamentally orient their life and offer the women new routes to knowledge agency and belonging For the holy visionaries of Li ge as with us modern seers visions are physically intimate ideologically overloaded spaces Through theoretically informed close readings Medieval Saints and Modern Screens reveals the interconnection of decidedly old media medieval textualities and artefacts of our new media ecology which all serve as spaces in which altogether human concerns are brought before the contemporary culture s eyes **Daughters of the Promised**

Land, Women in American History Page Smith,1970 Being an examination of the strange history of the female sex from the beginning to the present with special attention to the women of America illustrated by curious anecdotes and quotations by divers authors ancient and modern Subtitle *The British Printer* ,1893 **The Embodied Performance of Gender** Jack Migdalek,2014-10-24 Norms of embodied behaviour for males and females as promoted in mainstream Western public arenas of popular culture and the everyday continue to work overtly and covertly as definitive and restrictive barriers to the realm of possibilities of embodied gender expression and appreciation They serve to disempower and marginalize those not inclined to embody according to such dichotomous models This book explores the ramifications of the way our gendered sexed and culturally constructed bodies are situated toward notions of difference and highlights the need to safeguard the social and emotional well being of those who do not fit comfortably with dominant norms of masculine feminine behaviour as deemed appropriate to biological sex The book interrogates gender inequitable machinations of education and performance arts disciplines by which educators and arts practitioners train teach choreograph and direct those with whom they work and theorizes ways of broadening personal and social notions of possible aesthetic and acceptable embodiment for all persons regardless of biological sex or sexual orientation The author s own struggles as a performance artist educator and person in the everyday as well as the findings of empirical fieldwork with educators performance arts practitioners and high school students are employed to illustrate and advocate the need for self reflexive scrutiny of existing and hidden inequities

regarding the embodiment of gender within one's own habitual perspectives, taste and practices The Female Eunuch Germaine Greer, 1971 Germaine Greer takes aim at the subject of women, their cultural history, their psychological development and their relationship to men. And what she puts forward as her central thesis is the original and provocative idea that as wives, employees, mothers and lovers, women are not only still in bondage to men but are deformed by them, made into eunuchs. It is not that Greer is against men; she likes them very much, or that she thinks women should take to violent action to secure their rights, but rather that every woman must come to know herself, her body and her mind. Women must also learn, she argues, their own histories and must learn to share their experiences with one another until they understand, identify and explicitly come to terms with the many psychological techniques of domination in and out of the home. From publisher description Chart Watch UK - Hits of 1989 James Masterton, From the longest serving music columnist online comes this comprehensive account of the Top 40 hit singles of 1989. Every artist to land a hit single during the year is documented and every one of their hits is catalogued. A full account of who made the charts when and most importantly why. The year which saw Soul II Soul come to prominence, although so did Jive Bunny. The year that unearthed Lisa Stansfield but also Sonia. And the year which began with a star from the sixties at the top of the charts and ended with the Stone Roses and Happy Mondays poised to change the world. With diverse female characters, it explores different versions of the female experience. No single character embodies a feminist ideal, but together they represent attributes of the contemporary feminist conversation. This collection of new essays uses a similar approach, inviting a diverse group of scholars to address the many questions about gender roles and female agency in the series. Essays analyze how the series engages with feminism, Supergirl's impact on queer audiences and how families craft the show's feminist narratives. In the ever-growing superhero television genre, Supergirl remains unique as viewers watch a female hero with almost godlike powers face the same struggles as ordinary women in the series **Advances in Experimental Social Psychology**, 1972-09-29 **Advances in Experimental Social Psychology** **The Athenaeum**, 1894
