It presents not only the provisions of the Copyright Act 1957 in the form of a normative but points out the changes made thereon by formal amendments as well as conflicts of law which have been settled by judicial interpretations. The book is divided into ten chapters. Chapter 1 is introductory while Chapters 2 and 3 discuss the origin and development of law of copyright at international as well as national level. The most important debatable issue in copyright law is works in which copyright subsists and the Chapter 4 is devoted to this aspect.
