 Gwynn sold nearly everything they owned but their Siamese cat and escaped their humdrum nine to five existence for life in
 paradise a tiny island in one of the remotest spots on Earth the Okavango Delta in Botswana Woefully inexperienced they
 took control of a luxury game lodge that catered to the likes of French aristocrats Hollywood directors Mafia lawyers and the
 captain of the England cricket team Not forgetting the hippos who liked to crash cocktail hour Trouble soon followed as the
 reality of running a hotel on an island accessible only by boat or plane burst upon them Andrew and Gwynn learned it s one
 thing for guests to wake up with gentle giraffes outside their windows but it s quite another to keep them safe from
 poisonous snakes temperamental elephants and a hyena with a taste for plastic All that was child s play compared to figuring
 out how to feed their guests when a quick run to the grocery store required a plane a bush pilot and moderate risk to life

 Of Writings** Prachi Prangya Agasti,2024-05-22 A crazy heart stopping roller coaster ride that will take you deeper into its
 course You close your eyes and jump to get the hang of the moment and sink deep into the abyss of your emotions But when
 you fall it is without any warning You struggle to pull out and rebound But how far would you fly before you feel you are
 dangling at the edge of a cord Because you are not graceful but scarred and sometimes forget how heavy your heart is And
 Freefall is a collection of such writings of a fall that eventually happens in the dotted lines of your life When your happiest
 thing stumbles you feel the emotion mercilessly equal to being bereft without life Nothing will piece you back together but
 once you hit the ground you would know exactly why fate dropped you hard Freefall would imprint a mysterious place with
 an infinite amount of feelings within you **From the Heart...Bruised, Battered, & Healing** Ann Michael,2013-06-20
