Loertscher, 2007-10-15 This collection of enlightening and stimulating articles written by some of the most important figures in school librarianship demonstrates how teacher librarians, classroom teachers, and administrators can work together to create a 21st-century school library media program. With topics that emphasize student success, leadership, partnerships, curriculum design, collaborative planning, and teaching literacy, 21st-century skills, emerging technologies, and so much more, this compendium brings together the best of the best discussions. The practicing teacher librarian, as well as the student seeking to expand his or her knowledge of the field, will find this compilation especially beneficial in providing an overview of the most critical issues related to the role the teacher librarian plays in their school. The articles, previously published in the peer-reviewed *Teacher Librarian*, *The Journal for School Library Professionals*, with several included from the magazine *VOYA*, *Voice of Youth Advocates*, reveal how school libraries and teacher librarians are moving forward to meet the challenges of this new century.      **Tangerine Reading Guide** Marshall K. Hall, 2006-08-01 Reproducible Reading Study Guides that give students the background and support they need to understand and enjoy literature. With these reading guides, your students will practice reading comprehension skills, sharpen their vocabulary, and learn to identify literary elements.      **Building Character Through Literature** Rosann Jweid, Margaret Rizzo, 2001 The book's primary purpose is to introduce novels that show strength of character. It offers guidance for opening a dialogue about character issues through the included texts. While looking for books with strong character traits, the authors also sought to include award-winning titles from authors whose general bodies of work have been acclaimed.      **Tangerine Reading Guide** Saddleback Educational Publishing, 2006-09-01 Struggling readers frequently lack basic reading skills and are not equipped with the prior knowledge and reading strategies to thoroughly engage in the classroom literature experience.
