Tarot Cards And Hair Dye:

1-2-3 Tarot Donald Tyson, 2004 With the simple system outlined in this book you can start reading the cards immediately even if you've never even touched a Tarot deck before Most books that teach you how to read the Tarot contain long lists of keywords for each card With seventy eight cards and multiple keywords for each card that's hundreds of meanings to memorize The easy effective system outlined in 1 2 3 Tarot will have you giving accurate readings right away without having to memorize anything The key to this unique system is the Tarot sentence A card's complex significance boils down to three elements identity action and direction These elements are matched with a noun verb and adverb to form a simple sentence and give you a succinct meaning for any given card You'll learn how to interpret the collective meanings of three card sets within a variety of spreads designed to answer any question A quick reference table that includes reversed meanings saves you the trouble of flipping through the book while you're in the middle of a reading Flexible fast and fun this foolproof method can be applied to any Tarot deck Book jacket
