[The central focus of the three-lesson learning segment is for students to write an opinion piece about their favorite holiday that includes a topic sentence, three supporting reasons, and a conclusion sentence. The essential literacy strategy I am using across the lesson segment is brainstorming and using a graphic organizer.]

- Given the central focus, describe how the standards and learning objectives within your learning segment address:

CCSS.ELA-LITERACY.L.1.2

Lesson objectives:

1) Students will be able to have a productive discussion with a pre-designated partner about their favorite holiday.

2) Students will be able to organize their thoughts about their opinion and reasoning in a simple way.

3) strategy -- My essential literacy strategies, brainstorming and using a graphic organizer to the learning objectives and standards I chose because to write a clear opinion piece, they must plan what they will be writing. The first day and strategy which will help them start to think about their favorite holiday, and I'll be able to supply three reasons as to why it's their favorite. The final learning to a productive discussion, will allow me to learn around the classroom and listen my conversations to guarantee they understand how to give their opinion and at writing reason. My other essential literacy strategy, using a graphic organizer, like Common Core State Standards writing and language the standards. The writing ELA-LITERACY.W.1.1, helps my students in understanding how to write an opinion piece. I'm giving them a place to organize and write their thoughts down in a graphic organizer. The graphic organizer has separate sections for each reason and then write their three supporting reasons. This helps
