In a NUTSHELL *Survival Guide for Single Men* Problems Solutions was NOT written because another perspective is WANTED. *Survival Guide for Single Men* was written because it is NEEDED. My hope is that this book will create much dialogue that UNCLES FATHERS and GRANDFATHERS did NOT discuss, did not know HOW to discuss OR were AFRAID to discuss. This book was designed to be brief and to the point so that it can be read multiple times for understanding and application. This book can benefit BOTH men and women. This is the kind of book that can be read during lunch breaks at the barbershop to or from work or while you sit on the toilette. **Live with Bliss and Peace** M. Harihara Mahadevan, 2023-07-25. The Trigger. Recent news stories of personal tragedies of successful people deeply moved the author to explore the causes of these distressing events. In the process he discovered the profound truth that the essence of success lies in balancing the six wheels of life or wellness: Physical, Mental, Family, Career, Social, and Spiritual. By nurturing and harmonising these components of wellness, individuals can achieve a state of bliss, peace, and fulfilment that surpasses material achievements. With empathy and wisdom as their compass, the author compassionately leads readers on a transformative journey. Through thought provoking insights and practical advice, they encourage a holistic approach to life. By nurturing personal growth, fostering strong relationships, and finding spiritual harmony, readers are empowered to navigate challenges and unlock their true potential. This book is a beacon of hope, reminding readers that true success lies in achieving a harmonious balance across all areas of life. It is a compelling invitation to embark on a path of self discovery and find profound contentment and inner peace. The serious and somewhat complicated concepts are explained in a very simple and interesting narration. The feelings I had when I finished the book were complete humbleness and humility.
