Shaffer,2012-12-06 One of the great advantages of rational emotive therapy RET and cognitive behavior therapy CBT is that they frequently employ psycho educational methods including bibliotherapy workshops lectures courses recordings and films I created RET at the beginning of 1955 after I had abandoned the practice of psychoanalysis because I found it to be highly inefficient and philosophically superficial Being almost addicted to one to one therapy as a result of my analytic training and experience I at first did RET only with individual clients and found this pioneering form of CBT considerably more effective than the other therapies with which I had experimented By 1957 however I realized that RET could be taught to large numbers of persons through self help books and articles and that RET oriented writings could not only prove valuable to the general public but that they could also be successfully employed to hasten and intensify the therapy of my individual clients I therefore wrote a number of RET self help books especially *How to Live with a Neurotic* 1957 *Sex without Guilt* 1958 *A New Guide to Rational Living* with Robert A Harper original edition 1961 and *A Guide to Successful Marriage* with Robert A Harper 1961 **Worldwide Franchise Directory** Susan Boyles Martin,1991 TG 205-8 Training Service, NOVELL System Administrator ,1991 **HeartMemo** ,1997 Success from the Inside Out Nona Jones,2020-01-21 Join corporate executive and leadership speaker Nona Jones as she takes you on a personal journey of healing from the past so you can move forward with freedom and hope Many of us aspire to achieve status wealth and notability in the hopes that those things will erase the pain of our past But for those who have experienced trauma like Nona Jones success requires more than a changed mindset it requires repairing a broken spirit Nona was appointed to an executive role with a Fortune 100 company at only 23 years old Since then she has led award winning initiatives in public affairs brokered multimillion dollar business deals addressed the United Nations and championed juvenile justice and

education policy reform in the halls of Congress all before she turned 35 Then in one of the biggest wake up calls of her life Nona realized that her past battles were waging a present war Though she tried to push away the memories her childhood trauma continued to affect her emotionally spiritually mentally and physically until she made a pivotal decision Success from the Inside Out charts the course of Nona s breakthrough a course that can also lead you out of the storms of your past or present Through her own remarkable story and insights Nona helps you Claim victory at the place where the defeat happened Recognize ways you use work to cover up inward brokenness Still the voices in your head that say you aren t good enough Choose fulfilling success instead of empty success Map your mile markers toward your biggest goals Push through brokenness into a breakthrough Praise for Success from the Inside Out Nona Jones s transparency and insight into her most painful experiences will undoubtedly help readers overcome their darkest experiences so they can experience all the goodness and success that is waiting for them on the path to redemption and empowerment Laila Ali author TV host champion boxer and CEO In Success from the Inside Out Nona Jones shows us that God s grace is strong enough to lift us up when we have no strength left with which to stand This book is for anyone who needs freedom from their past to fully embrace their future Bishop T D Jakes New York Times bestselling author and senior pastor of The Potter s House of Dallas
