Vanity Fair William Makepeace Thackeray, 1848 ***Vanity Fair; A Novel Without a Hero, by William Makepeace Thackeray*** William Makepeace Thackeray, 2016-06-20 *Vanity Fair* A Novel without a Hero is a novel by English author William Makepeace Thackeray first published in 1847-48 satirising society in early 19th century Britain Thackeray an only child was born in Calcutta India where his father Richmond Thackeray 1 September 1781-13 September 1815 held the high rank of secretary to the board of revenue in the British East

India Company His mother Anne Becher 1792 1864 was the second daughter of Harriet and John Harman Becher and was also a secretary writer for the East India Company William had been sent to England earlier at the age of five with a short stopover at St Helena where the imprisoned Napoleon was pointed out to him He was educated at schools in Southampton and Chiswick and then at Charterhouse School William Makepeace Thackeray 18 July 1811 24 December 1863 was an English novelist of the 19th century He is famous for his satirical works particularly Vanity Fair a panoramic portrait of English society During the Victorian era Thackeray was ranked second only to Charles Dickens but he is now much less widely read and is known almost exclusively for Vanity Fair which has become a fixture in university courses and has been repeatedly adapted for the cinema and television In Thackeray s own day some commentators such as Anthony Trollope ranked his History of Henry Esmond as his greatest work perhaps because it expressed Victorian values of duty and earnestness as did some of his other later novels It is perhaps for this reason that they have not survived as well as Vanity Fair which satirises those values Thackeray saw himself as writing in the realistic tradition and distinguished his work from the exaggerations and sentimentality of Dickens Some later commentators have accepted this self evaluation and seen him as a realist but others note his inclination to use eighteenth century narrative techniques such as digressions and direct addresses to the reader and argue that through them he frequently disrupts the illusion of reality The school of Henry James with its emphasis on maintaining that illusion marked a break with Thackeray s techniques In 1887 the Royal Society of Arts unveiled a blue plaque to commemorate Thackeray at the house at 2 Palace Green London that had been built for him in the 1860s
