

Poem for Boss

Thank You

In the midst of the roaring tide,
My boss stands firm, side by side.
Guiding the way with hands so sure,
Providing a vision, clear and pure.

When storms arise, and skies are gray,
They lead us with grace, come what may.
A beacon of light, steadfast and true,
Leading the team, old and new.

Thank you, dear boss, for guidance so grand,
For being the anchor upon which we stand.
Your wisdom and patience, a force to behold,
A leader of stories, yet to be told.

Think On These Things Linda F. Garry, 2013-08 These poems arose from taking a different look at my life and my surroundings after suffering severe injuries from a fall For a time I could not see the light of day but then my spirit was touched and I was elevated to see life differently Writing about my newly found life was therapeutic and ignited sources of inspiration observation and elation for me Look around and take the time to see listen and hear the quietness of your soul and let it speak to you Find peace happiness and joy in what you discover and think on those things Live in the present in the moment of absolute consciousness and see what you are doing right now and appreciate your life the air you breathe the nature that you see the people who love you and the nameless person by whom you pass It is my hope that you will enjoy reading my poems as much as I enjoyed writing them Thank You
