The 2most Amazing Truths About Heaven:

The Bible Expositor's Handbook, NT Edition Greg Harris,2018-02-01 The Bible Expositor s Handbook New Testament picks up where the Old Testament edition ended Rather than jumping into Matthew where our New Testament begins Harris instead looks to Luke 24 where Jesus taught through every book of the Old Testament showing truths that were either already fulfilled by him or would be in the future The Light, the Truth and the Way Sandy Acharjee,2011-02-16 About the Book The author was born and raised in an orthodox Hindu family Like most of us he was busy with his family career and day to day activities Then suddenly out of the blue in the ICU room of a modern hospital he had a Code Blue experience when he unexpectedly departed this world for a period of three days This book and his earlier book Code Blue 99 are written per Gods instructions whom he met during the traumatic period of his life This is a miraculous true story and the author is a living testimony of what truly transpires after our physical death here on earth There should be no doubt for anyone that both the Heaven and the Hell exist in our after life The author has witnessed both of them Based on his afterlife experience he has found that it is very easy to enter into the Hell But it is extremely difficult to enter into the Heaven as he witnessed the one and the only narrow entrance door This book solidifies the Truth by unfolding the blindfolds of our life tells who we really are the real purpose of our life here on earth and what is expected of us in order to enter into the Heavenly Kingdom It is all based on the authors firsthand experience and personal encounter with the Divine Light It also details the two opposite worlds that exist both here on earth and beyond this life Finally it reiterates his face to face conversation with the Lord who sent him back to the earth to share His Instructions for everyone whether they be believers or non believers This book is a Must Read for everyone It uncovers The Light The Truth and The Waythe only Way **The British Drama: pt. 1-2.**

Tragedies ,1804 **The British Drama: Tragedies. 2 v** ,1804 Forty-Nine Truths and the Pentecost John D. Richie,2000-08-21 This work results from years of studying God s Word and observation of the current trends in Christianity The problem with Christianity today is that it has forgotten that the battle is not with those without but with the foolishness sin and unbelief in the believer The forty nine truths contained herein appear to be the most neglected in this age Considering that God s Word is not open to personal interpretation each Scripture quotation is left to individual understanding through the visitation of the Holy Spirit Although some explanation is given my intent is to guide the reader toward understanding and not to impose upon them my own understanding It is perhaps ironic that many Christians professing Jesus to be their Lord and Master may spend eternity in a place they would not desire God s Word states that a follower of Jesus that does not keep his sayings will not inherit the kingdom of heaven The truths discussed herein are the sayings of Jesus not mine The Pentecost follows these forty nine truths It is a day that is in the future It will be a happy day for many but the road thereto is troubled with much tribulation **365 Fascinating Facts about Jesus** Robert Strand,2000-03-01 From over 100 sources popular gift book author Robert Strand has compiled both common and little

known facts about Jesus Christ The Jesus that Strand uncovers is definitely the Christ of the Gospels and the political cultural and religious times in which He lived are brought to life in this terrific book Read about the traditions that Jesus grew up with the historical facts about his birth death and resurrection and man s ideas about Him vs reality Great as a reference book or gift this collection of fascinating facts serves to illuminate God With Us **SAMPLE FACTS** What was Jesus last name According to Jewish tradition one s last name was always determined by the father s given name So the Lord s complete name would have been Yeshua Ben Yosef Old Testament Prophecies Contained in the Old Testament there are more than 300 specific prophecies alone that concerned Jesus the promised coming Messiah These were written from 450 to more than 2 000 years before his birth It s been mathematically calculated that the probability of just 8 of the more than 300 prophecies being fulfilled by chance is 1 in 1017 It is beyond the realm of calculation to figure the probability of all 300 plus coming to pass in one life
