How To Form a Florida Nonprofit Corporation James W. Martin, 2022-05-13 James W Martin is a Florida Bar Board Certified Real Estate Lawyer and Adjunct Professor of Law at Stetson University College of Law who for over forty years has practiced Florida real estate wills trusts probate corporations nonprofits and business law The author has seen too many nonprofit corporations improperly formed and maintained Some failed to file for tax exempt status after incorporation some failed to hold annual meetings and file annual reports some failed to prepare meeting minutes and maintain records and some failed to follow statutory procedures Failure to comply with the basics of nonprofit corporation law can result in real estate title problems litigation taxes penalties and potential personal liability This book provides a step by step process with forms and checklists for forming and maintaining Florida nonprofit corporations to avoid these problems It is primarily directed to lawyers because Florida nonprofit corporations are legal entities created under the Florida Not For Profit Corporation Act so having a law degree really should be a prerequisite to forming and maintaining nonprofit corporations However the author realizes that we live in an age where nonlawyers freely access these materials on the Internet so he has written this book in plain language that does not require a law degree to understand But his message for nonlawyers reading this book is to be sure to engage a Florida licensed lawyer on their behalf to review any document before it is signed or filed

Emerging Research Directions in Social Entrepreneurship Larry Pate, Charles Wankel, 2014-03-31 This book takes an inside out approach to examine the broad topic of social entrepreneurship Instead of looking inward at what social entrepreneurship is this book looks forward from the view of successful social entrepreneurs to answer the important question Where is social entrepreneurship going next First the volume looks at the essential qualities of social entrepreneurs including the importance of humility as a trait in the social entrepreneur the way in which social entrepreneurs define themselves as such and if and how opportunity recognition differs in social and traditional entrepreneurs Next the volume looks at the impact of social entrepreneurial businesses on individuals but also on the supply chain other businesses and the wider community Next the book explores social entrepreneurship and global change This rare and compelling section offers key insights and lessons in the development and promotion of social entrepreneurship in the

global economy This volume addresses both theory and research suggesting practical solutions It engages scholars and practitioners across disciplines in an examination and debate about various methods and approaches of enacting programs of social change
