The Adventures Of Lady Harpur Complete:

The Adventures of Lady Harpur (Complete) Anonymous, My father possessed a large and flourishing estate on one of the West Indian islands before the emancipation of the slaves My baptismal name is Charlotte but from the fancied likeness to a picture of the English queen of the name my father called me Queenie which pet name has clung to me ever since The first event of any importance in connection with my subject which I can remember occurred when I was about ten years old I had then a black nurse called Dora in whose charge I was especially placed It was from her I learned that my mother who died soon after my birth had been a favourite and very handsome slave nearly as white as a European and that I greatly resembled her My father was kind to me though I did not see much of him for he was often away on business when he was at home he used to send for me to come to him after dinner when he would set me on his knee and make me sip sweet rum toddy He liked tickling my thighs and pinching my bottom he said as it made me laugh and look merry but one evening after his second glass he placed me astride his lap with my back towards him and my dress pulled up that he might feel the warmth of my bottom there I laughed and thought it funny and let him settle me as he wished Then in a short time I felt a hot stiff thing poking up between my thighs and rubbing against my slit in such a way as even then to cause such a strange tingling there that I told my nurse of it when she was putting me to bed She laughed and said massa wanted to do to me what he had done to my mother before me Oh nurse do tell me what papa did to mama Never you mind missy you ll know time enough Tell me now nurse you know I am past ten and the other day when you were wiping me after the bath and were looking in between my legs you said that I was grown quite a little woman look again nurse I said lifting up my nightdress and spreading my legs had mama a little slit in here like I have and did she let papa rub it for her What a funny child you are Miss Queenie You re indeed a large and well made girl for your years and your mama did enjoy a rubbing there more than anyone I ever saw and unless I am very much mistaken you will be just the same then stooping down she put her hands under my bottom and raised me up and plunging her face between my thighs began to kiss the lips and lick around the inside of my little slit I was greatly surprised at first but soon the motion of her warm pliant tongue in that most sensitive spot made me press up against her mouth and cry Don t stop dear nurse that is so nice A thrill of pleasure passed through me then feeling tired and heavy I closed my eyes and soon fell asleep Nurse was a noted herb doctor and she used to boast that she could cure any sick person or make them sleep or even kill them if she liked There was one herb which she often gathered when out walking with me which she said was good for tea and made people sleep afterwards She sometimes used it for our own tea It was nice and pleasant to drink but always made me sleep heavily after taking it She had steeped some that evening and filled my cup but as it tasted more pungent than usual my stomach turned against it and when she was not looking I poured it into the slop basin but when she helped me again it was not so strong and I drank a little I suppose it was the effect of it which made me go to sleep so quickly but it did not last as long as usual for I awoke after only a few hours the moon was shining brightly

through the curtains drawn across the open window and I could see by the clock that it was only a little after twelve I felt hot and restless and the excitement in my slit still continuing I involuntarily put my hand to it and felt its smooth lips and the little slippery lump between Then I rubbed with my finger the little hot chink below which throbbed under my touch and which I felt to be connected in some mysterious way with the very mainspring of my being I knew not then of that wondrous key which could enter in wind up the spring and put all the hidden machinery into motion but my eyes were partially opened my curiosity aroused and many things I had heard and witnessed recurred to my memory with a startling significance unknown before I settled in my mind therefore to lose no opportunity of enlarging my knowledge of these interesting matters I was lying quietly in my bed while these thoughts were fermenting in my mind when a low whistle to the window arrested my attention Nurse sat up and softly asked Is that you Dandy The whistle was gently repeated You may come in she replied the child is fast asleep and the coast is clear A dusky form then passed through the window and I recognised one of the assistant overseers a good looking mulatto who was much chaffed as nurse s follower and admirer She took him in her arms and gave him a mighty hug on being released he turned towards me and asked Is she fast asleep Might I look at her little cunny You might for I gave it to her strong last evening He came softly to the side of my bed and lifting the clothes pushed his hand between my thighs I pretended to be asleep though at first I found it very hard to remain still for his fingers tickled me but he quickly aroused the sensation of pleasure I had felt before and that made me firm as a rock He then pulled down the clothes and opening my legs said What a fair little cunt she has Dora I wonder who will be the first to ravish its sweets I would not be surprised if her own father had the first of her himself and she related what I had told her I would not put it past him for he is the greatest man for women I ever met Does he often come to you Dora Yes he does he takes a turn when he wants a black cunt for a change And you give him enough of it too Dora Why not said the nurse as she kissed the top of his red headed tool which she had drawn out while they were talking She seemed to be supporting its bag with one hand while she moved the other up and down the dark skinned shaft Meanwhile Dandy had frigged my cunt into such a state of excitement that he was able to push the tip of his finger through the passage and though the pain was so considerable that I had to bite my lips to prevent myself crying out yet the sensation was so overpowering that I willingly bore it while he forced his whole finger up then I felt something snap inside and to my great relief he moved it in and out without hurting me I declare she is fit to be fucked he said although there is not the slightest sign of hair on her mount yet See the whole of my finger goes in without waking her So I see but don t meddle further with her now come here and I ll finish you off then go to bed like a good fellow Still holding him by the pego she drew him towards her bed and sat down on the edge with him standing between her legs He put his hands under her thighs and tilted her back She at once spread herself like an open book giving me a clear view of her enormous gap

Modernism, Mass Culture, and the Aesthetics of Obscenity Allison Pease,2000-07-27 How did explicit sexual representation become acceptable in the twentieth century as art rather than pornography Allison Pease answers this question by tracing the relationship between aesthetics and obscenity from the 1700s onwards highlighting the way in which early twentieth century writers incorporated a sexually explicit discourse into their work Pease explores how artists such as Swinburne Aubrey Beardsley James Joyce and D H Lawrence were responsible for shifting the boundaries between aesthetics and pornography that first became of intellectual interest in the eighteenth century and reinforced class distinctions Her analysis of canonical works such as Joyce s Ulysses and Lawrence s Lady Chatterley s Lover is framed by a wide ranging examination of the changing conceptions of aesthetics from Shaftesbury Hutcheson and Kant to F R Leavis I A Richards and T S Eliot Based on extensive archival work the book includes examples of period art and illustrations which eloquently demonstrate the shift in public taste and tolerance

Sources and Methods in the History of Sexuality Anna Clark,Elizabeth W. Williams,2024-09-12 Sources and Methods in the History of Sexuality outlines some of the

challenges of retracing sexual acts identities and desires in the past and shows how historians have responded to these methodological challenges with ingenuity and creativity The volume acknowledges that the history of sexuality poses particularly interesting challenges in relation to sources due the peculiar nature of sexuality On one hand sexuality is frequently hidden and private its practices often unknown denied and evaded its desires fleeting or obsessive its reality confused or illuminated by fantasy yet on the other sexuality consistently breaks into the public sphere through moral panics waves of persecution taxonomizing projects and medical juridical interventions With vivid case studies from renowned contributors the chapters provide different theoretical approaches along with more practical examples of how to study the history of sexuality The volume has a broad chronology from the ancient world to the present an extensive geography covering not only Europe and the Americas but also Latin America and Africa and also includes a variety of gender and sexual expressions The book also privileges texts that offer an intersectional approach asking how sex and sexualities were constructed alongside against other categories of difference With accessible writing this volume encourages the reader to think creatively about how to find evidence of sex sexuality in the past and will be of value to students as well as scholars interested in the history of sexuality [The Publishers Weekly](#) ,1921 [The Adventures of Lady Harpur](#)
