The Angel Of Antioch:

The Angel of Antioch - Library Edition Daniel. Molyneux, 2015-02-02 Have you ever longed for an angel or a prophet to appear to show you the way to transform your life and lead you to the truth A stranger appears speaking words filled with power and wisdom Some believe he is an angel or prophet but the religious leaders reject his words as those of a dangerous fool The Capital is thrown into unrest and turmoil because of the stranger s teachings Journey with The Angel of Antioch as he shares proverbs parables and insights Discover the difference a single person can make and the power contained in a few simple words uttered boldly without fear Words are the most powerful force in the cosmos mightier than nuclear weapons touching the innermost parts of our souls Scripture says the cosmos was spoken into existence And God said Let there be light and there was light Scripture also tells us God is love Whoever lives in love lives in God and God in them
