The Angel Of Medicine Bow:

The Angel of Medicine Bow Robert Louis Penven,2014-11-01 Barton Bart Danaker a cowboy riding the Triangle B brand had religious beliefs different from his fellow cowhands and most others for that matter He didn't believe in the story about Gabriel and the Virgin Mary being practical he doubted the existence of guardian angels or angles that spoke to people Bart's Winchester did all of the guarding required Miscellaneous Publication ,1941 **The Angel's Fire** Holley Trent,2020-10-03 In sixteenth century Central America the goddess La Bella Dama witnessed the explosion of a slave ship off the coast Hundreds of years later she's still running from what she did in the aftermath A rare moment of softness for some of the nearly dead compelled her to make a deal with the devilish fallen angel responsible for the disaster The women got a second chance but now their descendents have caught up to her and want her to mend her sloppy work And if she doesn't She and her little family in Maria will never have another moment of rest She's no longer a creature who wants to be worshiped She'll never be normal but as Lola Perez she enjoys the peace of blending in Her long ago collaborator Tarik thinks satisfying the angriest amongst the women in El Culto will be simple enough just give them a little more magic and let them rejoin their sisters in Mexico But Tarik's going to have to fix quell the uproar on his own Lola decided a long time ago that there's comfort in the status quo That's why she's been refusing his advances for the past five hundred years They get along like fire and gasoline and he's the only creature she's ever encountered who can make her heart race While they may be uniquely equipped to withstand each other's heat Lola's not ready to commit to him She was humiliated by a lover once before and proved there's nothing more reckless than a goddess scorned Deadly Creed Elaine Levine,2019-02-13 A recent grad with a degree in gifted ed Wynn Ratcliff jumped at the chance to be a young linguistic savant's private tutor The job let her stay near her grandmother while she was recovering from her stroke Unfortunately the terrific opportunity came with some horrific negatives namely catching the eye of her employer's enemies After her grandmother's murder Wynn fled back to the safety of the real world and her life as it was before she met Angel Cordova and his team of terrorist hunters She soon discovers the reality she thought she was returning to is gone or perhaps it never existed Former spec ops soldier Angel Cordova has no choice but to retrieve Wynn when he learns she's being stalked by the enemy his team is fighting It's not entirely against her will that he brings her back to the team's headquarters but it is under duress Keeping her safe means steamrolling the life of her dreams Setting her free means handing her over to their enemies all wrapped up in a sparkly bow It's a choice no man should ever have to make about the woman he loves one he knows she will not quietly accept **War Bringer** Elaine Levine,2019-02-13 The Covert Operative Kelan Shiozski wasn't looking for a girlfriend or a wife or any other sort of female in his life but he found her hiding in his enemy's home and he knew instantly she was his soul mate Patience has long been part of his warrior ethos until it meant waiting for his woman to come of age Now that time is here and he's about to spend three days alone with her away from his team away from their mission tracking a homegrown terrorist group

operating out of the Rocky Mountains He has three days to show her with his heart and his body what it means to be his other half But when she s kidnapped before their celebratory weekend Kelan must track her into the dark depths of a hidden crime world which few ever experience or exit alive And the Innocent At just twenty one Fiona Addison has lived a sheltered life that began unraveling a year earlier when her mom and her friend died in two separate car accidents the same week The layers are peeling away revealing who she really is culminating in a truth she cannot accept And now everything she learns about herself imperils the future she hoped to have with Kelan a man whose fierce warrior nature will not let her go despite the cost to himself They ll either live together or die together a fate they cannot let be decided by a madman Philip's Atlas of the World George Philip & Son,1991 **Precambrian Geology of the United States** Philip B.
