There's just one problem Nick isn't looking for love. All he wants to do is fill his father's boots as he prepares to take over as Santa Claus. While Mrs. Claus is scheming away, Nick meets Heather, a charming artist with a giving heart and a loving smile. Preparing for her first Christmas alone, Heather is looking for adventure. Nick becomes a kindred spirit as they both remember what it's like to live in the moment. Just as they think they found a fairytale romance, Nick discovers his mother's magical meddling. With Christmas Eve quickly approaching, Nick must decide if his love for Heather was the real magic all along or if it was just the work of Cupid Claus. Each book in the Seasons of Love series is standalone.

Royally Abandoned Cupid Claus Falling in Puppy Love **Portrait of a Man Known as Il Condottiere** Georges Perec, 2015-04-10 Portrait of a Man Il Condottiere dates from 1957-1960 and is the first novel Perec ever completed; it was rejected by Gallimard and Seuil back when Perec was nobody, so it is ironic that Seuil has brought it out now. Back in 1960, Perec put it away as he wrote to a friend: "I will leave it where it is for the moment at least. I will take it up again in ten years and it will either become a masterwork or I will wait in my grave for a faithful exegete to find it in an old trunk." The novel was subsequently found by David Bellos, and it is a thriller combining art forgery and murder. The protagonist, Winkler, devotes months on end to making a fake for a client of the famous painting *Il Condottiere* by Renaissance artist Antonello da Messina, which is in the Louvre. As classic mysteries begin, this one starts with a murder on the first page, but it is Winkler who murders his client. The novel investigates the motive for the crime; one of its reasons will center on the forger's frustration over his inability to produce a work rivaling the original. The theme of forgery in painting crosses much of Perec's work. And the character Winkler also appears in *Life A User's Manual* and in *W or the Remembrance of Childhood*. Our version also includes a brief introduction by Bellos.
