Literary News ,1885 *Civil War Wests* Adam Arenson,Andrew R. Graybill,2015-03-07 This volume unifies the concerns of Civil War and western history revealing how Confederate secession created new and shifting borderlands In the West both Civil War battlefields and Civil War politics engaged a wider range of ethnic and racial distinctions raising questions that would arise only later in places farther east Likewise the histories of occupation reincorporation and expanded citizenship during Reconstruction in the South have ignored the connections to previous as well as subsequent efforts in the West The stories contained in this volume complicate our understanding of the paths from slavery to freedom for white as well as non white Americans By placing the histories of the American West and the Civil War and Reconstruction into one sustained conversation this volume expands the limits of both by emphasizing how struggles over land labor sovereignty and citizenship shaped the U S nation state in this tumultuous era This volume highlights significant moments and common concerns of this continuous conflict as it stretched across the continent and throughout the nineteenth century Provided by publisher
