Lemuel Martin, 1874 A Journey Through the Revelation to John Rhonda L.

Vaughan, 2018-03-14 The book of Revelation is almost certainly the most controversial book of the Bible Some believe the prophecies contained in the book can never be understood they are a mystery that cannot be revealed and the reading of Revelation is therefore a waste of time Many believe that the book tells of the coming tribulations that our generation or one of the succeeding ones will face that the rapture will yet take place and that the millenium has not yet begun Then there are those who fall in between the two extremes saying that we are in the millenium or that the rapture has already occurred that the prophecies have all been fulfilled or that some have been and some are yet to be The Lamb and the Beasts Stephen J. Binz, 2006 The book of Revelation is not about what the future holds but about who holds the future It lays out contrasting visions of the world the world of the Lamb and the world of the beasts and expresses the magnitude of our choice with inspired imagery Reading Revelation momentarily gives us the eyes of God to glimpse the heavenly meaning of our worship to look evil in the face and see its full reality to gaze upon the cosmic meaning of Christ s sacrifice and to envision the world renewed by the hope of God s victory Revelation offers the world a wakeup call and teaches us how to live in joyful hope

Tommy C. SEAY, 2009-11-01 **Onward to Victory** Pieter Kriel, 2015-08-31 Apart from a few well known passages the book of Revelation is a mystery to most Christians The terrible images that are used are difficult to understand and the little

we do understand seems to present a picture of doom and gloom However the book of Revelation was written to comfort the persecuted believers who were facing daily onslaughts by the forces of evil It has a powerful message for the believers of all ages including today's believers If you can get past all the seemingly incomprehensible imagery and unlock the code you will find that its message is an integral part of the message that we find in the rest of the Bible In fact it is like the tip of the spear Most of the important themes in the Bible as a whole find their fulfillment in the book of Revelation The purpose of this book is not to give some radical new interpretation of the book of Revelation It is to remain faithful to the message of the Bible as a whole while opening this wonderful but often misunderstood part of God's Word for today's believers This book will help you not only to understand the message of Revelation but also to apply it to your own life This will help you to persevere through difficulties and persecution until the victory of Christ is fully enforced in all of creation A study guide is included so that you can also use the book for group Bible study
