Friendly Fire Katherine Kinney, 2000-11-02 Hundreds of memoirs novels plays and movies have been devoted to the American war in Vietnam In spite of the great variety of media political perspectives and the degrees of seriousness with which the war has been treated Katherine Kinney argues that the vast majority of these works share a single story that of Americans killing Americans in Vietnam Friendly Fire in this instance refers not merely to a tragic error of war it also refers to America's war with itself during the Vietnam years Starting from this point this book considers the concept of friendly fire from multiple vantage points and portrays the Vietnam age as a crucible where America's cohesive image of itself is shattered pitting soldiers against superiors doves against hawks feminism against patriarchy racial fear against racial tolerance Through the use of extensive evidence from the film and popular fiction of Vietnam e g Kovic's Born on the Fourth of July Didion's Democracy O'Brien's Going After Cacciato Rabe's Sticks and Bones and Streamers Kinney draws a powerful picture of a nation politically culturally and socially divided and a war that has been memorialized as a contested site of art media politics and ideology

Smith, 2010-07-29 Three hundred years in our future in a world of alien infiltrators religious hackers a vast convoying nation of Nomads city sized orbital elevators and a cyborg pirate king who believes himself to be a mythological demon Jakob is having a bad day Nothing gets in the way of a hangover like being reactivated by your old C O and told to track down an alien killing machine The same kind of killing machine that wiped out my entire squad And now it s in my hometown My name is Jakob Douglas ex special forces I fought Them Just like we ve all been doing for 60 bloody years But I thought my part in that was done with My boss has other ideas If I didn t find the infiltrator then he d let the Grey Lady loose on me And believe me even They ve got nothing on her So I took the job It went to shit even faster than normal And now I m on the run with this teenage hacker who s had enough of prostitution The only people I can rely on want to turn the internet into God And now it turns out that They aren t quite what we d all thought I ve been to the bottom of the sea and the top of the sky and beyond trying to get to the truth And I still can t get far enough away from the Grey Lady All things considered I d rather be back at home deep in a whiskey bottle Veteran is a fast paced intricately plotted violent SF Thriller set in a dark future against the backdrop of a seemingly never ending war against an unknowable and implacable alien enemy The Country Vet Eleanor Jones, 2014 She s got nothing in her kit to cure heartache Veterinarian Cass Truman has just landed her first job in England s Lake District and she s already eager to specialize in caring for horses Horse breeder Jake Munro could help her achieve this dream for one thing he could teach her to ride Instead he acts as if he can t stand her At first Cass is happy to return the sentiment until she learns Jake has suffered a terrible loss Cass finds herself drawn to the grieving man and the two bond over their shared affinity for horses But while Cass can relieve an animal s suffering she s not sure she can ease Jake s **Confederate Veteran** , 1894 **The Vietnam Veteran in Contemporary Society** , 1972 **Our Veterans** Suzanne Gordon, Steve Early, Jasper Craven, 2022-05-02 In Our Veterans Suzanne Gordon Steve Early and Jasper Craven explore the physical emotional social economic and psychological impact of military service and the problems that veterans face when they return to civilian life The authors critically examine the role of advocacy organizations philanthropies corporations and politicians who purport to be pro veteran They describe the ongoing debate about the cost quality and effectiveness of healthcare provided or outsourced by the Department of Veterans Affairs VA They also examine generational divisions and political tensions among veterans as revealed in the tumultuous events of 2020 from Black Lives Matter protests to the Trump Biden presidential contest Frank and revealing Our Veterans proposes a new agenda for veterans affairs linking service provision to veterans to the quest for broader social programs benefiting all Americans *The Vietnam Veteran in Contemporary Society* United States. Veterans Administration. Department of Medicine and Surgery, 1972 *Talk Doggy To Me* Maggie Shayne, 2022-08-12 A hot detective used to female attention Jay Harris has a tender side too and he s a top notch detective Those qualities are more important now than ever before with a serial rapist stalking the women of his town A bristly veterinarian who prefers animals to people

She's more interested in his dog's good looks than the detective's. And she has good reason for those feelings. She also has a secret that could ruin her practice should it get out. A secret she's vowed not to share no matter what. She can talk to animals. Well, not talk precisely. She feels them. There's a connection. Should this talent of hers get out, it could label her delusional, ruin her reputation and shatter her life. The only witness who can ID the rapist is a dog. Now Macy's secret is in danger because she has no choice but to share it. She must find a way to make the smoking hot detective believe her. But there's more danger than she knows as the criminal draws near, seeking to silence her and her gift for good.

Brecht Collected Plays: 6

Bertolt Brecht, 2015-04-15. Published by Methuen Drama. The collected dramatic works of Bertolt Brecht are presented in the most comprehensive and authoritative editions of Brecht's plays in the English language. This sixth volume of Brecht's Collected Plays contains three plays he wrote while in exile during the early stages of the Second World War. In Brecht's famous parable *The Good Person of Szechwan*, the gods come to earth in search of a thoroughly good person. No one can be found until they meet Shen Te, a prostitute with a heart of gold. Rewarded by the gods, she gives up her profession and buys a tobacco shop, but finds it is impossible to survive as a good person in a corrupt world without the support of her ruthless alter ego, Shui Ta. *The Resistible Rise of Arturo Ui* is a savage satire on the rise of Hitler, wittily transposed to gangland Chicago. Brecht's compelling parable continues to have relevance wherever totalitarianism appears today. Written in 1940 during Brecht's exile in Finland, *Pantila* is one of his greatest creations, to be ranked alongside *Galileo* and *Mother Courage*. A hard-drinking Finnish landowner, Pantila suffers from a divided personality: when drunk, he is human and humane; when sober, surly and self-centred. The play contains some of the best comedy Brecht wrote for the theatre. The translations are ideal for both study and performance. The volume is accompanied by a full introduction and notes by the series editor, John Willett, and includes Brecht's own notes and relevant texts as well as all the important textual variants.
