The Anniversary Louis Auchincloss, 1999-07-15 From a New York Times bestselling author A collection of short fiction reminiscent of the work of Henry James and Edith Wharton Library Journal Crisscrossing a tumultuous century these stories evoke lives both blessed and cursed by good fortune and reveal the quotidian conflicts of a wonderfully rich milieu Here are vignettes that capture the

loves and jealousies of marriage and friendship recall days of a rarefied aristocracy and hint at a new ambitious young elite In the title story a tour de force of humor and emotion a clergyman prepares a toast for his twenty fifth wedding anniversary but gets stuck when it comes to his wife s five year affair The narrator in DeCicco v Schweizer imagines the lives of the plaintiff and defendant and spins a wicked tale about a 1902 marriage born more of convenience than of love And in The Last of the Great Courtesans we meet the unforgettable Milly Marion born in 1917 who has bewitched everyone she has met in her long colorful life Whether these stories concern an anxious draft dodger a repentant headmaster or a mischievous writer who ill advisedly draws from her own family for her fiction they all offer soulful glimpses into an uncommon world preserved in our past and yet surprisingly close to our hearts His themes are universal ambition greed disappointment compromise Some of the most memorable characters are women trying to find their way in a time of more restricted choices It s easy to get lost in the author s elegant and restrained prose Booklist
