The Ascension Prophecy The Time Is Now:

Prophetic Outlines. Second Series. The Times of the Gentiles, as Scripturally Foreshadowed, Briefly Considered ... John Rees Mogg, 1868 *The Prophetic Times*, 1863 **Understanding End Times Prophecy** Paul Benware, 2006-05-01 Many Christians think of end times prophecy as a gigantic intimidating puzzle difficult to piece together and impossible to figure out But every puzzle can be solved if you approach it the right way Paul Benware compares prophecy to a picture puzzle Putting the edge pieces together first builds the framework that makes it easier to fit the other pieces in their place According to Benware the framework for eschatology is the biblical covenants He begins his comprehensive survey by explaining the major covenants Then he discusses several different interpretations of end times prophecy Benware digs into the details of the Rapture the Great Tribulation the judgements and resurrections and the millennial kingdom But he also adds a unique personal element to the study answering questions as Why study bible prophecy What difference does it make if I m premillennial or amillennial If what the Bible says about the future puzzles you Understanding End Times Prophecy will help you put together the pieces and see the big picture **End-Time Prophecy** Børge Beck, 2023-03-09 Along with a correct understanding of the Bible as the God breathed Word a correct interpretation is crucial Basically there are only two methods of interpretation 1 the non literal allegorical or spiritualizing method or 2 the literal so called grammatical historical method The latter if employed consistently gives the only correct understanding of what God originally intended to reveal about the salvation of mankind The first part of this book demonstrates the advantage of the literal interpretation over the allegorical or spiritualizing method which must be avoided at all costs unless the text demands a shift from a literal to a figurative interpretation of a word or phrase bearing in mind that figurative language still reveals literal truths The second part of the book applies the teaching of the first part to Biblical prophecy which must be interpreted in the exact same way as any other text in the Word of God If employed consistently the literal reading leads to Premillennialism Christ returns to earth before and in order to establish the Millennial Kingdom Pretribulationism the Church is raptured to heaven before the Tribulation and Dispensationalism God s dealings with man in seven consecutive dispensations or stewardships Besides 2 Thessalonians 2:3 is explained on the basis of the Greek text so as to be a conclusive defense of the pretribulation Rapture of the Church **The Expository Times** James Hastings, Ann Wilson Hastings, Edward Hastings, 1893 **Understanding Bible Prophecy and the End Times** P. L. Ditshego, 2016-06-16 Understanding Bible Prophecy and the End Times is an insightful practical and thought provoking book preparing the church the world and government leaders to understand Gods prophetic time clock and the signs of the end times How God controls the course of world history as revealed and proven by the records of scripture What is the New World Order who is behind its formation what is the rationale for its formation and what are its characteristics Who is the coming super world dictator and what would be the features of his reign of terror When will the Church be raptured pre mid or post tribulation What is the
