

A romantic close-up of a man and a woman about to kiss. The man is on the left, wearing a dark suit and white shirt, looking towards the woman. The woman is on the right, with long brown hair, wearing a light-colored dress and a large earring, looking back at him. The background is dark and out of focus.

Katherine V. Snyder,1999-09-02 Katherine Snyder s study explores the significance of the bachelor narrator a prevalent but little recognised figure in premodernist and modernist fiction by male authors including Hawthorne James Conrad Ford and Fitzgerald Snyder demonstrates that bachelors functioned in cultural and literary discourse as threshold figures who by crossing the shifting permeable boundaries of bourgeois domesticity highlighted the limits of conventional masculinity The very marginality of the figure Snyder argues effects a critique of gendered norms of manhood while the symbolic function of marriage as a means of plot resolution is also made more complex by the presence of the single man Bachelor figures made moreover an ideal narrative device for male authors who themselves occupied vexed cultural positions By attending to the gendered identities and relations at issue in these narratives Snyder s study discloses the aesthetic and political

Women's College Mary Dockray-Miller,2017-11-13 This study part of growing interest in the study of nineteenth century medievalism and Anglo Saxonism closely examines the intersections of race class and gender in the teaching of Anglo Saxon in the American women s colleges before World War I interrogating the ways that the positioning of Anglo Saxon as the historical core of the collegiate English curriculum also silently perpetuated mythologies about Manifest Destiny male superiority and the primacy of northern European ancestry in United States culture at large Analysis of college curricula and biographies of female professors demonstrates the ways that women used Anglo Saxon as a means to professional opportunity and political expression especially in the suffrage movement even as that legitimacy and respectability was freighted with largely unarticulated assumptions of racist and sexist privilege The study concludes by connecting this
