*Taking the Jesus Road* LeRoy Koopman,2005 The story of the Reformed Church s relationship to Native Americans is one of persistence and optimism in the face of overwhelming odds Unfortunately it s also a story that reflects all too well the sad record of U S dealings with America s first inhabitants In this frank well balanced account of the Reformed Church s Native American missions and churches LeRoy Koopman recounts the spiritual journey of the Jesus Road shared by Reformed and Native American Christians Taking the Jesus Road outlines how government and church often cooperated with each other in implementing shifting policies that allowed the native peoples little or no voice in their own destiny Koopman does not hesitate to point out how early missionaries often equated the Christian faith with white culture but also gives credit for their tireless efforts to seek a better life for the people they were serving Much of the book is devoted to the stories of particular ministries including the six Native American congregations that remain a vital part of the Reformed Church today

**Winnebagos on Wednesdays** Scott Cowen,2018-02-20 Why a strong mission and inspired leadership are vital to the success of America s colleges and universities In 1998 soon after assuming the presidency of Tulane University Scott Cowen was confronted with a setback Despite an undefeated football season and putting the best financial deal on the table Cowen was unable to retain the school s football coach The coach wanted something the president didn t have a football program so popular as the coach put it that fans would line up their Winnebagos on Wednesdays in anticipation of Saturday games In that moment Cowen improbably found himself in the entertainment business and his university was deemed wanting At a time when schools seem overrun by sports programs spiraling costs and absurd ranking systems Winnebagos on Wednesdays argues that colleges and universities of all stripes

and sizes can achieve their educational aims if they possess two things visionary leadership and a strong mission Cowen named one of the nation's top university presidents by Time magazine in 2009 gives a behind the scenes look at the critical demands faced by many education leaders He profiles a range of situations from how Diana Natalicio of the University of Texas at El Paso expanded a school serving a specific demographic into an academic powerhouse to how Michael Sorrell shifted Paul Quinn College's mission to urban entrepreneurship in order to save the institution Cowen also draws from his own hard won experiences including the rebuilding of Tulane and New Orleans after Hurricane Katrina and the decision to maintain Tulane's football program He shows how crucial choices in tough situations shape organizations for better or ill A sweeping overview of the higher education landscape Winnebagos on Wednesdays demonstrates that the courage of transformative leadership is essential for colleges and universities to remain vital
