Mountain of My Dreams Richard T. Antony,2004-12-10 In the late 1970s Richard convinced his wife Sandra that they should leave their promising professional careers and comfortable suburban lifestyle to start an azalea nursery in the foothills of the Blue Ridge Mountains With no horticultural training or business experience few mechanical skills and absolutely no idea what they were getting themselves

into numerous adventures followed In the second book in the planned four book series Richard continues the couples colorful story a story of triumph and despair of high expectations and harsh reality and of the people who touched their lives along the way In the tradition of such classics as *The Little House on the Prairie* and *Waltons Mountain Mountain of My Dreams* shares the true story of two ordinary people and their memorable often remarkable 25 year journey Much more than just another back to the land chronicle this is a heartwarming tale of a man a woman and their belief in each other If youve ever wondered why the less traveled road is less traveled you need to read their story Buy American Dana Frank,2000-04-07

With the election of Donald Trump economic nationalism has re emerged as a patriotic rallying cry But are imports and foreigners really to blame for the disappearance of good jobs in the United States Tracing the history and politics of economic nationalism from the American Revolution to the present historian Dana Frank investigates the long history of Buy American campaigns and their complexities This entertaining story is full of surprises including misguided heroes chilling racism and more than a few charlatans Frank helps reframe the debate between free trade on the one hand and nationalism on the other to suggest alternative strategies that would serve the needs of working Americans instead of the interests of corporations and economic elites and that don t cast foreigners or immigrants as our enemies **Popular Science** ,1993-12
