In this book you will learn from real life scenarios that there are true holistic planners who will put your interests ahead of theirs. It's a different and in my opinion better approach and one that everyone deserves. Don't wait until the life transitions hit you to put your plan together. With the help of the right holistic advisor you can experience less stress on both a personal and financial basis. This book will allow you to see what you should expect from a true financial advisor. Without proper knowledge you could fall prey to the financial salesperson. Don't let that happen to you. Dean Barber, America's Wealth Management Show Host, Author Josh Kadish, and I lead mission-driven firms. Peak Advisor Alliance's mission is: We enhance the lives of advisors and the families they serve through inspiration, innovation, and implementation. Josh Nicole and RPG Life Transition Specialists help us fulfill our mission by delivering holistic financial planning to their clients. Ron Carson, CFP®, ChFC®, R.CFS, New York Times bestseller, and founder and CEO of Carson Wealth Management Group, 7 advisor in the U.S. as ranked by Barron's magazine. Ron Carson is not a registered representative of NPC. Carson Wealth Management Group, RPG, and NPC are separate and unrelated entities. Anyone going through some form of life transition should read this book. Josh and Nicole do a great job of making the complex seem simple and understandable. If you are trying to figure out if you are on the right course to achieving your long-term goals and dreams, this book is a great educational tool to help guide you in making future decisions with confidence. Thinking Slow When Life's Changing Fast Mike and Ryan O'Donnell, 2015-06-04

Have you recently retired or is retirement rapidly approaching? Have you sold your business or are you considering doing so? Are you newly married or divorced? Are you dealing with the death of a loved one? Are you the recent recipient of a financial windfall? If you answered yes to any of these questions, you share a common trait with millions of Americans: your life is in transition. And chances are your money is in transition as well. Major life transitions are times of financial instability, and the decisions you make at these moments have long-lasting effects. This short book is designed to help you navigate your life transitions by making wise financial decisions during times when wisdom can be hard to come by. The book's premise is a simple fact: Life transitions present enormous financial opportunities and challenges. This may seem like an obvious statement. Perhaps less obvious are the following two separate but related truths:

1. Financial decisions made during significant life transitions have an outsized impact on our long-term wealth.
2. During periods of transition, we are often the least equipped to make good decisions.

Understanding these two truths and, more importantly, understanding what to do about them can prevent years of negative financial consequences and unnecessary confusion. It can make your own life and the lives of your family and loved ones easier and richer, not just financially but emotionally as well.
