

Thank You Letters For Business Partnership

Hello Mike,

It's been over a decade since we started our business, a dream that we saw together. Today when we stand on a point where we never thought we will. In all these years apart from being a business partner, you have also become a friend and family. We have seen many ups and downs together and that made us trust each other a lot.

I know it wasn't an easy decision for us to share a part of our business with someone else, but now when I look back I feel that it was the best decision taken by us.

It was you who trusted your instincts and convinced me as well and trust me that made me believe that you have got a better sense of business than me. I wish that our business partnership stays as it is and we grow ten folds and even more than that in the future.

Regards

Thank You For Stopping By Business Letter
