

Sample Thank You Letter

Dear (Name):

Thank you so much for supporting me as I participated in the We Run the City 5K/10K to raise awareness and money for the athletes of Special Olympics Southern California.

With your support, we will enrich the lives of athletes with intellectual disabilities and their communities through sports, education, and athlete health.

Every dollar raised through this fundraiser not only provides equipment, uniforms, and training for our athletes, but also gives them empowerment, courage, and joy.

Special Olympics is more than a sports program. Special Olympics Southern California athletes are five times more likely to hold a job than the general population of individuals with intellectual disabilities. They are also more physically fit and live happier, healthier, and longer lives.

Thank you again for your donation and support. For more information about Special Olympics, please visit www.sosc.org.

Sincerely,

(Your Name)

I Hate It Here* comes an all new even more outrageous and laugh out loud funny collection of real letters written by children ages eight to sixteen to their parents about their adventures at summer camp Written with the same wit and honesty as those in the first book these new letters take the reader on a familiar adventure that conjures up the experience of being away from home and the hilarious and lasting memories that accompany that special place called sleepaway camp Praise for *P.S. I Still Hate It Here* Will give you and your friends a good laugh while you're at the beach and the kids are away Geek Mom *The Comeback Summer* Ali Brady, 2023-05-09 Two sisters have one summer to crush their comfort zones and save their grandmother's legacy in this sweet sexy and heartfelt novel by Ali Brady author of *The Beach Trap* Hannah and Libby need a miracle The PR agency they inherited from their grandmother is losing clients left and right and the sisters are devastated at the thought of closing The situation seems hopeless until in walks Lou an eccentric self help guru who is looking for a new PR agency Her business could solve all their problems but there's a catch Whoever works with Lou must complete a twelve week challenge as part of her Crush Your Comfort Zone program Hannah whose worst nightmare is making small talk with strangers is challenged to go on twelve first dates Libby who once claimed to have period cramps for four weeks straight to get out of gym class is challenged to compete in an obstacle course race The challenges begin with Hannah helping Libby train and Libby managing the dating app on her sister's behalf They're both making good progress until Hannah's first love rolls into town and Libby accidentally falls for a guy she's supposed to be setting up with her sister Things get even more complicated when secrets come to light making the sisters question the one relationship they've always counted on each other With their company's future on the line they can't afford to fail But in trying to make a comeback to honor their grandmother are they pushing themselves down the wrong path Legacies of the Nazi Camps in Norway Trond Risro Nilssen, Jon Reitan, 2020 During World War 2 WW2 Nazi Germany established 500 camps in occupied Norway In May 1945 these camps quickly became symbols of terror and death At war's end war criminals and collaborators had to be arrested pending their trials in a time marked by revenge This book examines new perspectives on the scope and fate of the Nazi camps in Norway during WW2 One of the most symbol laden sites in Norwegian war history is in focus The SS camp Falstad in central Norway was an arena of Nazi abuses from 1941-1945 After the war it was made into a prison and played a key part in the Norwegian post war trials **American Prisoners of War in Southeast Asia** United States.
