That Bitch Protect Yourself Against Women With Malicious Intent:

That Bitch Roy Sheppard, 2007 Discover the underhand bully girl tactics ploys and strategies that difficult and vindictive women use to deceive demean and destroy the men women and children they live and work with And why they do it

Feminism: The Ugly Truth Mike Buchanan, 2017-05-21 Extracts from Erin Pizzey's Foreword Mike Buchanan is a very brave man I've known other men who've tried to draw the public's attention to the damage done by the radical feminist movement Many lost their jobs and none of them were able to find a publisher for their books Men have been thrown out of their own houses and unjustly accused of domestic violence towards their partners and some of sexually abusing their children The legitimate interests of men in Western society are being systematically assaulted by radical feminists and this book goes a long way to providing the evidence Men are starting to campaign more effectively for their interests though they have a long way to go before they halt the tide of radical feminist influence let alone start to reverse it Feminists can also expect more challenging from another quarter An increasing number of women are summoning up the courage to openly criticise them This shouldn't surprise us given that the vast majority of women don't share the radical feminists political ideology With every year that passes more women become aware of the damage man hating and family hating radical feminists wreak on society in general and women's interests in particular These women are becoming more vocal and their number is on the rise How much more damage will feminists be allowed to wreak before they're more widely recognised as the evil women they are This book provides long awaited answers to over 50 of the most challenging questions in the modern era including 1 Are you a misogynist if you only hate feminists 2 What is feminism in the modern era 3 How do radical feminists view the world 4 Are feminists less intelligent than normal women 5 Are feminists less attractive than normal women 6 Do feminists suffer from PPS Permanent Premenstrual Syndrome 7 Why do feminists deny the different natures of men and women 8 Why must taxpayers stop financing Women's Studies and Gender Studies courses 9 What are the big fat feminist fantasies lies delusions and myths 10 Are feminists delusional Is the pope a Catholic Do bears crap in woods 11 How are feminists killing men and women 12 Are some feminists e.g Tracey Emin a pain in the arts The book contains an appendix of quotations and ends with a sample chapter titled Would you like to have sex with my wife from Mike Buchanan's international bestseller Two Men in a Car a businessman a chauffeur and their holidays in France It also contains the plate section from the book 16 photographs

Cleary, *That Bitch* is about the nasty vindictive and manipulative women with NO conscience who target innocent men and women with TOO MUCH conscience These women see their victims as having a character flaw that is there to be exploited *That Bitch* explores the lying cheating conniving and manipulation of women with malicious intent What are the everyday tricks of their tyrannical trade How she claims to be the victim when she is the aggressor And how this makes it far more difficult for genuine female victims to receive the help they need and deserve The case studies in this book of how men are abused physically financially psychologically and even sexually are truly shocking Large numbers of men are stigmatized ridiculed and disbelieved when they don't conform to society's male stereotype Forensically researched This book is NOT anti women The only women who have a problem with it are those with something to hide Random phrases from reviews **2015**

General Election Manifesto Mike Buchanan, 2015-01-29 The human rights of men and boys in the United Kingdom have been increasingly assaulted by the state's actions and inactions for over 30 years as they have across much of the developed world Justice for men boys and the women who love them is the only political party in the English speaking world campaigning for the human rights of men and boys including the right of all children to enjoy good access to both parents following family breakdowns and the restoration of fatherhood and strong families The British state has become ever more hostile towards men and boys although the state is largely funded by men through income tax receipts Men collectively pay 72% and women 28% of the income taxes collected by the state In 2011 12 British men paid 68 billion 68 000 000 000 more

income tax than women yet the state disadvantages men and boys in many areas usually to advantage women and girls There are no areas in which the state disadvantages women and girls A state which is hostile towards half its citizens also affects women who are mothers of boys or who are men s partners relatives colleagues friends or acquaintances In the case of abortion foetal alcohol syndrome and fatherlessness girls including those yet unborn are also assaulted by the actions and inactions of the state The result is both inevitable and predictable an ever more dysfunctional society with increasing alienation of the sexes In this manifesto we provide details of the state s disadvantaging of men and boys in 20 areas and we make proposals in each of them The areas are presented in a broadly chronological order Abortion Foetal alcohol syndrome Genital mutilation Fatherlessness restoring strong families Education Employment Access to children after family breakdowns Domestic violence Sexual abuse Armed Forces veterans mental health issues Homelessness Suicide Criminal justice system Paternity fraud Anonymity for suspected sexual offenders Divorce Health Political representation State interference in company director appointments Expectation of retirement years The social engineering programmes which seek equality of gender outcomes are having an increasingly damaging impact on British society and the Conservative led coalition is no less keen on driving those programmes than the preceding Labour administrations We have a vision of Britain as a nation that doesn t disadvantage half its citizens A society in which men and women have equal opportunities but are able to make their own choices in life without state intervention to advantage one sex over the other It s said that under the first past the post system votes for parties other than the major parties are wasted but voting is the only mechanism democracy affords citizens to seriously challenge politicians who embrace the all pervading anti male ideology which has dictated the state s policy directions for over 30 years The major parties are institutionally committed to advantaging women and girls at the expense of men and boys regardless of the consequences as we recognized after engaging in parliamentary inquiries which demonstrated that the government simply doesn t respond to rational arguments against anti male policy directions The only choice for citizens concerned about the state s assaults on the human rights of men and boys is to vote and to vote for J4MB In the short to medium term our challenge is to improve public understanding about the state s assaults on the human rights of men and boys We do that in various ways including the use of social media Our television and radio appearances may be found on our YouTube channel Our longer term strategy however is to develop our party to the point that we can field many candidates in general elections in marginal constituencies where the major parties are vulnerable They will then have no choice but to take heed of the voices we represent engage with us and seek to appease them by modifying their policies and their direction of travel At the 2015 general election we ll be fielding three candidates in adjacent constituencies near Nottingham where in 2010 MPs were elected with very slim majorities I ll be standing in Ashfield where Gloria De Piero retained the seat for Labour with 192 more votes than a Liberal Democrat candidate She s the Shadow Minister for Women Equalities Ian Young formerly a victim of domestic violence will be standing against a

Conservative Mark Spencer in Sherwood Ian lives in the constituency in Hucknall Ray Barry leader of the campaign group Real Fathers for Justice will be standing against another Conservative Anna Soubry in Broxtowe I should like to take this opportunity to thank all the men and women who have supported J4MB since its launch in February 2013 including those who have contributed to this manifesto We ve gone to considerable lengths to ensure that all the information we present is factually correct If you should find any mistakes or you believe any of the content to be misleading please draw this to our attention If you feel able to support J4MB in any way please contact us I invite you to make a donation which will support our campaigning Nobody associated with J4MB has ever drawn any personal income from donations and we don t expect that to change in the foreseeable future if ever Thank you for your support and for seeking justice for men and boys and the women who love them
