The 72 Names Of God Technology For The Soul:

The 72 Names of God Yehudah Berg, 2003 The power of The 72 Names of God operates strictly on a soul level not a physical one It s about spirituality not religiosity Instead of being limited by the differences that divide people the wisdom of the Names transcends humanity s age old quarrels and belief systems to deal with one common bond that unifies all people and nations as one the human soul **The 72 Names of God Meditation Book** Yehuda Berg, 2004 Yehuda Berg s The 72 Names of God Meditation Book is your personal torch to highlight the areas of your life where you need to shine Through the practice of meditating on the 72 Names of God you will stir the Light within your soul to help you See the impact of your decisions before you make them bring more money into your life whenever you need it heal yourself physically and emotionally The 72 Names of God will activate the power of miracles when you need them most **HyperHumanity** Mike Hockney, 2013-07-28 Humanity is a single biological species but has split into two different mental species labelled Mythos and Logos The Mythos species is driven by emotional stories not by facts evidence or rational arguments Even scientific materialism is a Mythos the sensory Mythos which asserts that rational unobservables undetectable by the senses simply cannot exist The Enlightenment the Age of Reason was when Logos humanity came to the fore HyperHumanity is the upgrade of Logos humanity that advocates Hyperrationalism Old Humanity stuck in its irrational Mythos past will become extinct The future is about the new human race HyperHumanity Do you belong to the Illuminated Ones the Shining Ones the Divine Ones or are you on your knees to some story book God an irrational market or irrational devotion to your physical senses HyperHumanity is not here to help Old Humanity It is here to replace it We are the true human race that which seeks to claim its rightful prize divinity **The Power of Kabbalah** Yehuda Berg, 2010-09 Kabbalah The Power to Change Everything Portuguese is a progressive manual for daily life to awaken consciousness and create personal and global change Yehuda Berg examines the problematic areas of politics religion environment and economy and demonstrates how everything no matter how bleak can be transformed by shifting our minds Writing in a smart concise and sometimes irreverent manner Yehuda urges us to take responsibility because every action we perform in the present creates a quantum effect This book drives home the uncomfortable truth that global challenges are opportunities for individual change Change your mind and change our world [Enthroned on Our Praise](#) Timothy M. Pierce, 2008 Enthroned in Our Praise studies God s revelation of Himself in the Old Testament and what exactly He desires from believers in times of worship **The Secret** Michael Berg, 2010-09-17 Four years before the current secret phenomenon acclaimed Kabbalist Michael Berg shared the amazing truths from the world s oldest spiritual tradition in his own book The Secret Now in paperback this book reveals the essence of life in its most concise and powerful form Using stories and insights from the greatest scholars of Kabbalah Berg himself a descendent of distinguished Kabbalists shows readers how to free themselves from unhappiness and create the success and fulfillment that is their destiny Berg spent years studying tantalizing pieces of this ancient once secret knowledge before

finally putting the puzzle together and sharing it with the modern world in *The Secret Its life changing wisdom helps readers discover their true purpose and create a life of lasting joy* 2012 and *Beyond* Yehuda Berg,2011-10-20 Drawing wisdom from the Zohar this short kabbalistic text redefines this legendary period of time as a window for individuals and communities to reach messiah consciousness That means it s up to people not some celestial savior to ignite global change All the natural disasters poverty revolutions anarchy are wake up calls to a fragmented humanity The end is near but as Yehuda explains this really means the end of dominance of the human ego In its place we will experience the unleashing of our true selves the illuminated human soul There must be a critical mass a certain threshold of transformation to capitalize on this window and when that occurs the peoples of the world will function as one body while still appreciating our differences Our collective minds have the power to bring an end to negative consciousness and birth a new existence right now
