The Adventures And Memoirs Of Sherlock Holmes:

The Adventures and Memoirs of Sherlock Holmes Sir Arthur Conan Doyle, 1921 **The Adventures and Memoirs of Sherlock Holmes** Sir Arthur Conan Doyle, 1920 The Adventures of Sherlock Holmes and the Memoirs of Sherlock Holmes Arthur Conan Doyle, 2001-07-05 This collection includes many of the famous cases and great strokes of brilliance that made the legendary Sherlock Holmes one of fiction's most popular creations. With his devoted amanuensis Dr. Watson, Holmes emerges from his smoke-filled rooms in Baker Street to grapple with the forces of treachery, intrigue, and evil in such cases as *The Speckled Band* in which a terrified woman begs their help in solving the mystery surrounding her sister's death, or *A Scandal in Bohemia* which portrays a European king blackmailed by his mistress. In *Silver Blaze*, the pair investigate the disappearance of a racehorse and the violent murder of its trainer, while in *The Final Problem*, Holmes at last comes face to face with his nemesis, the diabolical Professor Moriarty, the Napoleon of crime.

The Adventures and the Memoirs of Sherlock Holmes Sir Arthur Conan Doyle, 2011-07-26 The illustrations for this series were created by Scott McKowen who, with his wife Christina Poddubiuk, operates Punch Judy Inc., a company specializing in design and illustration for theater and performing arts. Their projects often involve research into the visual aspects of historical settings and characters. Christina is a theater set and costume designer and contributed advice on the period clothing for the illustrations. Scott created these drawings in scratchboard, an engraving medium which evokes the look of popular art from the period of these stories. Scratchboard is an illustration board with a specifically prepared surface of hard white chalk. A thin layer of black ink is rolled over the surface and lines are drawn by hand with a sharp knife by scraping through the ink layer to expose the white surface underneath. The finished drawings are then scanned and the color is added digitally. It's elementary, there's no more intriguing detective than Sherlock Holmes with his unequalled powers of deduction and no better mysteries than the tricky ones that only he can solve. Here are some of the finest Holmes stories recounted by his trusty friend and assistant, Dr. Watson.
