The Adventures of Lady Harpur ... Related by Herself Lady Charlotte HARPUR, 1894 **Adventures of Lady Harpur.** Anonymous, 1999-12 **The Adventures of Lady Harpur (Complete)** Anonymous, My father possessed a large and flourishing estate on one of the West Indian islands before the emancipation of the slaves My baptismal name is Charlotte but from the fancied likeness to a picture of the English queen of the name my father called me Queenie which pet name has clung to me ever since The first event of any importance in connection with my subject which I can remember occurred when I was about ten years old I had then a black nurse called Dora in whose charge I was especially placed It was from her I learned that my mother who died soon after my birth had been a favourite and very handsome slave nearly as white as a European and that I greatly resembled her My father was kind to me though I did not see much of him for he was often away on business when he was at home he used to send for me to come to him after dinner when he would set me on his knee and make me sip sweet rum toddy He liked tickling my thighs and pinching my bottom he said as it made me laugh and look merry but one evening after his second glass he placed me astride his lap with my back towards him and my dress pulled up that he might feel the warmth of my bottom there I laughed and thought it funny and let him settle me as he wished Then in a short time I felt a hot stiff thing poking up between my thighs and rubbing against my slit in such a way as even then to cause such a strange tingling there that I told my nurse of it when she was putting me to bed She laughed and said massa wanted to do to me what he had done to my mother before me Oh nurse do tell me what papa did to mama Never you mind missy you ll know time enough Tell me now nurse you know I am past ten and the other day when you were wiping me after the bath and were looking in between my legs you said that I was grown quite a little woman look again nurse I said lifting up my nightdress and spreading my legs had mama a little slit in here like I have and did she let papa rub it for her What a funny child you are Miss Queenie You re indeed a large and well made girl for your years and your mama did enjoy a rubbing there more than anyone I ever saw and unless I am very much mistaken you will be just the same then stooping down she put her hands under my bottom and raised me up and plunging her face between my thighs began to kiss the lips and lick around the inside of my little slit I was greatly surprised at first but soon the motion of her warm pliant tongue in that most sensitive spot made me press up against her mouth and cry Don t stop dear nurse that is so nice A thrill of pleasure passed through me then feeling tired and heavy I closed my eyes and soon fell asleep Nurse was a noted herb doctor and she used to boast that she could cure any sick person or make them sleep or even kill them if she liked There was one herb which she often gathered when out walking with me which she said was good for tea and made people sleep afterwards She sometimes used it for our own tea It was nice and pleasant to drink but always made me sleep heavily after taking it She had steeped some that evening and filled my cup but as it tasted more pungent than usual my stomach turned against it and when she was not looking I poured it into the slop basin but when she helped me again it was not so strong and I drank a

little I suppose it was the effect of it which made me go to sleep so quickly but it did not last as long as usual for I awoke after only a few hours the moon was shining brightly through the curtains drawn across the open window and I could see by the clock that it was only a little after twelve I felt hot and restless and the excitement in my slit still continuing I involuntarily put my hand to it and felt its smooth lips and the little slippery lump between Then I rubbed with my finger the little hot chink below which throbbed under my touch and which I felt to be connected in some mysterious way with the very mainspring of my being I knew not then of that wondrous key which could enter in wind up the spring and put all the hidden machinery into motion but my eyes were partially opened my curiosity aroused and many things I had heard and witnessed recurred to my memory with a startling significance unknown before I settled in my mind therefore to lose no opportunity of enlarging my knowledge of these interesting matters I was lying quietly in my bed while these thoughts were fermenting in my mind when a low whistle to the window arrested my attention Nurse sat up and softly asked Is that you Dandy The whistle was gently repeated You may come in she replied the child is fast asleep and the coast is clear A dusky form then passed through the window and I recognised one of the assistant overseers a good looking mulatto who was much chaffed as nurse s follower and admirer She took him in her arms and gave him a mighty hug on being released he turned towards me and asked Is she fast asleep Might I look at her little cunny You might for I gave it to her strong last evening He came softly to the side of my bed and lifting the clothes pushed his hand between my thighs I pretended to be asleep though at first I found it very hard to remain still for his fingers tickled me but he quickly aroused the sensation of pleasure I had felt before and that made me firm as a rock He then pulled down the clothes and opening my legs said What a fair little cunt she has Dora I wonder who will be the first to ravish its sweets I would not be surprised if her own father had the first of her himself and she related what I had told her I would not put it past him for he is the greatest man for women I ever met Does he often come to you Dora Yes he does he takes a turn when he wants a black cunt for a change And you give him enough of it too Dora Why not said the nurse as she kissed the top of his red headed tool which she had drawn out while they were talking She seemed to be supporting its bag with one hand while she moved the other up and down the dark skinned shaft Meanwhile Dandy had friggged my cunt into such a state of excitement that he was able to push the tip of his finger through the passage and though the pain was so considerable that I had to bite my lips to prevent myself crying out yet the sensation was so overpowering that I willingly bore it while he forced his whole finger up then I felt something snap inside and to my great relief he moved it in and out without hurting me I declare she is fit to be fucked he said although there is not the slightest sign of hair on her mount yet See the whole of my finger goes in without waking her So I see but don t meddle further with her now come here and I ll finish you off then go to bed like a good fellow Still holding him by the pego she drew him towards her bed and sat down on the edge with him standing between her legs He put his hands under her thighs and tilted her back She at once spread herself like an open book giving me a clear view of her enormous gap

Clandestine Erotic Fiction in English 1800-1930 Peter Mendes,2016-12-05 This work offers bibliographical descriptions of all printings of erotic fiction in English issued clandestinely during the period 1800 1930 By clandestine is meant books whose publishers and printers attempt to hide their identities usually by offering title pages whose misleading places and

dates of publication may shock and amuse but which always aim to mystify Using internal and external evidence an attempt is made to establish who were the printers booksellers and publishers English and Continental involved in this trade The printing families or groups into which a large percentage of the material falls are classified accompanied by illustrations which identify the main printing characteristics house styles of the groups Bibliographical descriptions follow a checklist of clandestine catalogues these provide valuable evidence for dating pricing and sales pitch and information on items of which no copies can now be traced The work concludes with a series of appendices which provide significant external evidence and three indexes of themes titles and names Peter Mendes original research builds on and significantly extends the essential pioneer work of the Victorian collector and bibliographer H S Ashbee Pisanus Fraxi **Queenie; Or the Adventures of Lady Harpur** William Lazenby,2007-03-01 Inspired vaguely by a true story This is the tale of a young woman much loved within her own family a West Indies heiress who travels far and wide in life but first must fend off pirates and welcome a series of admirers *A Study of Erotic Literature in England* W. v. Murat,2019-09-24 The present work fills a gap as it attempts to offer a history of erotic literature published in the United Kingdom The word Study in the title is perhaps a bit exaggerated as the material is largely taken from the now well known bibliographies by Pisanus Fraxi Henry Spencer Ashbee and quotations from the books themselves The time line is WW II Who was the author He may have been Charles Reginald Dawes 1879 1964 who is supposed to have written but not published a text of this or a similar title His profession or his activities are not known he once called himself a writer but library catalogues credit him only with two publications *The Marquis de Sade* Paris 1927 and *Retif de la Bretonne* London 1946 privately printed He may have been a popular writer under pseudonyms though Dawes owned a good erotica collection which he willed to the British Museum Library that would explain why the author of this Study if he was Dawes could quote freely from erotic texts which only few of his contemporaries would have had available The main merits of this book are that the author was thoroughly familiar with English and French erotic literature and that he put his material in chronological order and in context The editor added a number of references illustrations and indices of personal names and titles to facilitate navigation *The Adventures of Lady Harpur* Anonymous,2019-06-10 Young beautiful and randy Queenie Harpur is the daughter of a rich plantation owner in the West Indies She is kidnapped by pirates shipwrecked and experiences countless adventures most of them of the sexual kind This is the last volume of three Before internet porn before porn videos before porn movies people lusting for raunchy X rated entertainment read pornographic books and magazines Victorian and Edwardian England had its own adult entertainment industry countless erotic novels were put out by shady publishers some books were printed by the authors themselves and most of the writers were anonymous Many of these 19th century books are surprisingly kinky and some of them may be quite offensive to modern day readers in more ways than one First published in 1885 the anonymously written *The Adventures of Lady Harpur* is a classic of Victorian erotica **Modernism, Mass Culture, and the Aesthetics of**

Obscenity Allison Pease, 2000-07-27 How did explicit sexual representation become acceptable in the twentieth century as art rather than pornography Allison Pease answers this question by tracing the relationship between aesthetics and obscenity from the 1700s onwards highlighting the way in which early twentieth century writers incorporated a sexually explicit discourse into their work Pease explores how artists such as Swinburne Aubrey Beardsley James Joyce and D H Lawrence were responsible for shifting the boundaries between aesthetics and pornography that first became of intellectual interest in the eighteenth century and reinforced class distinctions Her analysis of canonical works such as Joyce's Ulysses and Lawrence's Lady Chatterley's Lover is framed by a wide ranging examination of the changing conceptions of aesthetics from Shaftesbury Hutcheson and Kant to F R Leavis I A Richards and T S Eliot Based on extensive archival work the book includes examples of period art and illustrations which eloquently demonstrate the shift in public taste and tolerance
