The Age of Miracles Karen Thompson Walker, 2012-06-21 A stunner from the first page an end of the world coming of age tale of quiet majesty I loved this novel Justin Cronin author of The Passage WHAT IF our 24 hour day grew longer first in minutes then in hours until day becomes night and night becomes day What effect would this slowing have on the world On the birds in the sky the whales in the sea the astronauts in space and on an eleven year old girl grappling with emotional changes in her own life One morning Julia and her parents wake up in their suburban home in California to discover along with the rest of the world that the rotation of the earth is noticeably slowing The enormity of this is almost beyond comprehension And yet even if the world is in fact coming to an end as some assert day to day life must go on Julia facing the loneliness and despair of an awkward adolescence witnesses the impact of this phenomenon on the world on the community on her family and on herself It is never what you worry over that comes to pass in the end The real catastrophes are always different unimagined unprepared for unknown *The Age of Miracles* Karen Thompson Walker, 2013-01-15 A painstakingly researched debut imagines the coming of age story of young Julia whose world is thrown into upheaval when it is discovered that the Earth's rotation has suddenly begun to slow posing a catastrophic threat to all life A first novel *The Age of Miracles* Conal O'Riordan, 1925 *The Age of Miracles* Ellen Gilchrist, 2013-11-22 In her exuberantly funny bittersweet collection Ellen Gilchrist offers 16 stories that delve into the vibrant lives of her signature strong willed women Ranging from

hilarity to despair innocent children bewildered by their elders behavior a writer living on Xanax and a socialite seeking a health cure only to find romance instead of rest Gilchrist's high spirited characters always tend to find themselves in outrageous situations The beloved and feisty Rhoda Manning returns fighting the lure of the bottle while relentlessly going after her dream of becoming a famous writer And while the restraint of family and society continues to haunt Gilchrist's characters they prove fearless and deliciously carve their own chaotic paths toward survival Set in Fayetteville Arkansas and New Orleans Louisiana the tales are artfully fashioned providing tastes of marvelously trouble prone people at every stage of life Packed with humor sexuality and ever true to human weakness this collection is romantic and full of passion a treat in which readers will happily indulge PRAISE The Age of Miracles is Ellen Gilchrist's best book yet Its comedy irony sexuality inwardness and sadness all of it undergirded by a brave and funny sensibility convince me anew that her work is in the first rank of American fiction today Willie Morris Author of My Dog Skip and North Towards Home The Age of Miracles itself seems a miracle powerfully illustrating the serenity that people sometimes develop as they age the reward for enduring all the difficulties and disappointments of life San Francisco Examiner and Chronicle The stories in this collection are among her best Miami Herald

The Contemporary Post-Apocalyptic Novel Diletta De Cristofaro, 2019-12-26 Traditional apocalyptic texts concern the advent of a better world at the end of history that will make sense of everything that happened before But what is at stake in the contemporary shift to apocalyptic narratives in which the utopian end of time is removed The Contemporary Post Apocalyptic Novel offers an innovative critical model for our cultural obsession with the end by focussing on the significance of time in the 21st century post apocalyptic novel and challenging traditional apocalyptic logic Once confined to the genre of science fiction the increasing popularity of end of the world narratives has caused apocalyptic writing to feature in the work of some of contemporary literature's most well known fiction writers Considering novels by Will Self Cormac McCarthy David Mitchell Emily St John Mandel Jeanette Winterson and others Diletta De Cristofaro frames the contemporary apocalyptic imagination as a critique of modernity's apocalyptic conception of time and history Interdisciplinary in scope the book historicises apocalyptic beliefs by exploring how relentlessly they have shaped the modern world

[Jesus in the Victorian Novel](#) Jessica Ann Hughes, 2022-01-27 This book tells the story of how nineteenth century writers turned to the realist novel in order to reimagine Jesus during a century where traditional religious faith appeared increasingly untenable Re workings of the canonical Gospels and other projects to demythologize the story of Jesus are frequently treated as projects aiming to secularize and even discredit traditional Christian faith The novels of Charles Kingsley George Eliot Eliza Lynn Linton and Mary Augusta Ward however demonstrate that the work of bringing the Christian tradition of prophet priest and king into conversation with a rapidly changing world can at times be a form of authentic faith even a faith that remains rooted in the Bible and historic Christianity while simultaneously creating a space that allows traditional understandings of Jesus identity to evolve
