**Bitter Dawn** Dan Newling, 2014-10-23 The man standing next to me was a tall good looking man of Indian heritage in his early 30s Shrien Dewani seemed calm and composed The only outward signs of trauma I could notice were the two large dark purple bags under each of his eyes I offered him a seat He accepted and we started to talk Over the following 45 minutes the British businessman told me about the murder of his wife Anni 40 hours earlier So begins Bitter Dawn Dan Newling's journalistic investigation into a crime that ignited firestorms of outrage across the world At first the story seems simple enough Shrien Dewani a young British businessman on honeymoon in Cape Town arranges the murder of his newlywed bride in a clumsy hijacking But a closer examination of the crime reveals some uncomfortable truths Over four years from the moment he interviewed Shrien Dewani just two days after Anni's death to the eve of the Briton's 2014 murder trial Newling has painstakingly pieced together the many pieces of this puzzle Containing facts hitherto unpublished interviews with witnesses until now unheard from and the fruits of deep journalistic research into the South Africa's criminal justice system Bitter Dawn lifts the lid on a crime far more complex than the media has so far assumed While it may be difficult to find anyone who believes Shrien Dewani to be innocent the facts Newling has uncovered provide compelling reasons to question the establishment story Bitter Dawn is a gripping work of investigative journalism which reveals some worrying truths not only about a bloody murder but about its investigation South African politics global media ethics and how we all as news consumers respond to stories when boundaries between right and wrong between innocent and guilty and between truth and lies become blurred

**Anni Dewani** Shekhar Bhatia, Vinod Hindocha, 2015-03-10 On 13 November 2010 Anni Dewani was on a dream honeymoon in South Africa after celebrating the happiest day of her life her marriage to handsome husband Shrien But the idyllic holiday took a dramatic and tragic twist when the couple were kidnapped at gunpoint as their taxi drove through a tough township near Cape Town Businessman Shrien from Bristol was released unharmed by the captors but Anni was shot at close range in the neck and died on the spot Her body was found slumped in the blood soaked back seat of the taxi hours later When news of the horrific murder reached her parents they were hit by a double hammer blow not only did they have to deal with the loss of their beloved daughter in the most brutal of circumstances but police also told them one of the suspects behind the slaying was her husband After a long drawn out extradition process Shrien was brought back for trial in South Africa piling more agony on the victim's distraught family In Anni Dewani A Father's Story dad Vinod Hindocha recounts how his family struggled to cope with the devastating loss of Anni how they saw their hopes for her future shattered in the blink of an eye at the hands of hit men for reasons which still largely remain a mystery and their battle to see justice done He also tells of their attempts to reconcile themselves with the court's verdict and of a future without their beautiful daughter whose life was so cruelly and inexplicably extinguished

**Bitter Dawn** Dan Newling, 2014 *Monkey Business* Mike Nicol, 2011-10-05 A compilation of the voices that told us

about the murder of Anni Dewani a Swedish national married to a British national and who was murdered in South Africa in November 2010 It was a story that ran and continues to run at length in both the South African and British media and was reported elsewhere too Sweden and India featuring heavily in this regard given the Dewanis links to those countries The narrative is made up of the voices of the husband the police politicians reporters family lawyers spin doctors court records and descriptions of CCTV footage and runs up to the decision of a British Court on the extradition of Diwani to stand trial in South Africa It paints a fascinating picture or indeed a kaleidoscope of differing perspectives of the events that have lead up to this hearing It is a story of media of social comment and of a love story gone tragically wrong *Eight Days In September* Frank Chikane,2012-03-09 Eight Days in September is a riveting behind the scenes account of the turbulent eight day period in September 2008 that led to the removal of Thabo Mbeki as president of South Africa As secretary of the cabinet and head director general of the presidency at the time Frank Chikane was directly responsible for managing the transition from Mbeki to Kgalema Motlanthe and then on to Jacob Zuma and was one of only a few who had a front row seat to the unfolding drama Eight Days in September builds substantially on the so called Chikane Files a series of controversial articles Chikane published with Independent Newspapers in July 2010 to provide an insider s perspective on this key period in South Africa s recent history and to explore Thabo Mbeki s legacy **Hitmen for Hire** Mark Shaw,2017-07-10 Hitmen for Hire takes the reader on a journey like no other navigating a world of paid hitmen informers rogue policemen criminal taxi bosses gang leaders and crooked politicians and businessmen Criminologist Mark Shaw examines a society in which contract killings have become commonplace looking at who arranges hits where to find a hitman and even what it is like to operate as a hitman or woman Since 1994 South Africa has seen a worrying increase in the commercialisation of murder and has been rocked by several high profile contract killings Drawing on his research of over a thousand incidents of hired assassinations from 2000 to 2016 Shaw reveals how these murders are used to exert a mafia type control over the country s legal and illegal economic activity Contracted assassinations and the organised criminal activity behind them contain sinister linkages with the underworld most visibly in relation to disputes over tenders and access to government resources State security actors increasingly mediate relations between the under and upper worlds with serious implications for the long term success of the post apartheid democratic project Tourism and Crisis Gustav Visser,Sanette Ferreira,2013-02-15 The new millennium has been characterised by several crises ranging from dramatic acts of terror to natural disasters as well as the most significant economic recession since the late 1920s However despite such challenges the global tourism system has in the main retained its past vitality although in some cases in a different form The book investigates different kinds of crisis and unpacks understandings of crisis in relation to various components in the contemporary tourism system The aim of this book therefore is to critically analyse the relationship between tourism and crises The volume focuses on the roles and potential of tourism for development and relations between tourism environment and broad global process of change at different levels of

analysis highlighting different types of crisis In particular it questions the general conviction that tourism led development is a sustainable and necessarily solid platform from which to develop local national and regional economies from a range of perspectives Written by leading academics in the field this book offers valuable insight into tourism s relationship with socio cultural environment economic and political crisis as well as the challenges facing future tourism development **Three**

**False Convictions, Many Lessons** David C Anderson,Nigel P Scott,2016-09-21 A new perspective on the roles of psychopathology confirmation bias false confessions the media and internet amongst other causes of unjust accusations Putting lack of empathy at the fore in terms of police prosecutors and others it considers a wide range of other psychopathological aspects of miscarriages of justice By looking at three high profile cases those of Amanda Knox and Raffaele Sollecito Italy Stefan Kiszko UK and Darlie Routier USA the authors show that motive forces are a mind set in which psychopathy what they term constitutional negative empathy may be present and the need to reinforce existing supposition or lose face plays a large part *Madness* Sean Baumann,2020-04-01 A patient is standing in the middle of the river He gazes across the water to the city and the mountain above where the sun is setting His back is turned to the hospital The nurses are waiting for him patiently on the river bank He seems uncertain whether to cross the river or to return There is no danger He is on the edge in an in between space as is the hospital where I have worked as a specialist psychiatrist for over twenty five years For many of us what lies beyond conventional portrayals of mental illness is often shrouded in mystery misconception and fear Dr Sean Baumann spent decades as a psychiatrist at Valkenberg Hospital and through his personal engagement with patients various forms of psychosis he describes the lived experiences of those who suffer from schizophrenia depression bipolar and other disorders The stories told are authentic mysterious and compelling representing both vivid expressions of minds in turmoil and the struggle to give form and meaning to distress The author seeks to describe these encounters in a respectful way believing that careless portrayals of madness cause further suffering and perpetuate the burden of stigma Baumann argues cogently for a more inclusive way of making sense of mental health With sensitivity and empathy his enquiries into the territories of art psychology consciousness otherness free will and theories of the self reveal how mental illness raises questions that affect us all Madness is illustrated by award winning artist Fiona Moodie

**Tourism Safety, Security and Resilience** Rami K. Isaac,Shem Wambugu Maingi,Vanessa GB Gowresunkaar,2024-11-18 This significant volume critically explores the implications of tourism safety and security and how communities in tourism destinations try to be resilient in the face of these impacts Written by leading scholars this book offers new insight into the conceptual and practical knowledge of community resilience due to tourism security and safety issues Chapters examine these topics through an integrated community perspective to provide comprehensive consideration of the interconnected facets of a community encompassing social economic environmental and cultural dimensions when evaluating and addressing matters pertaining to tourism management safety security and resilience This book is structured

around different conceptual theoretical and practical strategies employed by destinations to foster and sustain community resilience particularly during periods of crises as well as communities in the context of tourism recovery It examines this across geographical borders and in many different contexts not just locations of tourism or types of tourism such as religious tourism and different types of crises including natural disasters pandemics and terrorism This book is an essential reading for all tourism students researchers and academics as well as for those interested in conflict and crises recovery Anni Dewani: A Father's Story Vinod Hindocha, Shekhar Bhatia, 2015-02-06 **The Truth about Crime** Jean Comaroff, John L. Comaroff, 2016-12-05 This new book by the well known anthropologists Jean and John L Comaroff explores the global preoccupation with criminality in the early twenty first century a preoccupation strikingly disproportionate in most places and for most people to the risks posed by lawlessness to the conduct of everyday life Ours in an epoch in which law making law breaking and law enforcement are ever more critical registers in which societies construct contest and confront truths about themselves an epoch in which criminology broadly defined has displaced sociology as the privileged means by which the social world knows itself They also argue that as the result of a tectonic shift in the triangulation of capital the state and governance the meanings attached to crime and with it the nature of policing have undergone significant change also that there has been a palpable muddying of the lines between legality and illegality between corruption and conventional business even between crime and policing which exist nowadays in ever greater hyphenated complicity Thinking through Crime and Policing is therefore an excursion into the contemporary Order of Things or rather into the metaphysic of disorder that saturates the late modern world indeed has become its leitmotif It is also a meditation on sovereignty and citizenship on civility class and race on the law and its transgression on the political economy of representation **Hope Springs Eternal in the Priestly Breast** James Valladares, PhD, James Valladares, 2012 The clergy abuse scandal has posed the greatest threat to the traditional understanding of the Catholic priesthood since the Protestant Reformation Now as then the deadliest attacks are coming from within the Church In an attempt to improve a system that allowed a small minority of the clergy to violate children and ameliorate the gross negligence of some bishops who recycled these predators the American bishops instituted the Charter for the Protection of Children and Young People in 2002 It is unfortunately doing the Church more harm than good In Hope Springs Eternal in the Priestly Breast Fr James Valladares shows how justice and charity have been violated by some bishops in dealing with accused priests He examines the pertinent canons that guide the Church's judicial system and finds that these are often ignored or wrongly applied He provides true cases that highlight the injustice of the process and the agony of priests who have been subjected to the charter's draconian mandates The Church has incurred tremendous financial losses because of settlements rising from both legitimate and false claims Her image has been marred by the secular media which has taken advantage of the crisis Even so we often fail to understand how trivial these are in comparison to the damage done to the priesthood by the enactment of the charter's policies This is the most pressing issue

that the bishops need to address      Kaapse bibliotekaris ,2012 Issues for Nov 1957 include section Accessions Aanwinste Sept 1957      *Books to Die For* John Connolly,Declan Burke,2016-10-25 An anthology featuring the world s greatest mystery authors writing about theworld s greatest mystery novels      **The Rabbit Hole** Mike Nicol,2021-02-01 Money Money Money Tons of it In us dollars And it s all being funnelled into a government tender snagged by family owned Amalfi Civils Which would be great for business if ceo Angela wasn t fighting with her cfo brother Rej Where Angela sees corruption Rej sees cabinet ministers politicians officials eager to lend a hand For a fee It s a big pot so he s happy to oblige And if needs be he ll take out his sister to keep the lucre There are other players in this game The cia for one The State Security Agency for another And a black op using lawyer and spy Vicki Kahn as a honeytrap to ensnare Rej s middleman the very same middleman that her lover pi Fish Pescado is investigating With these stakes it s only time before the killing starts      Power Play Mike Nicol,2015-05-21 Krista Bishop runs a security agency for women only Until she gets a call she can t refuse from the government spooks guard two high profile Chinese businessmen What Krista isn t told is that the Chinese are mopping up the richly rewarding abalone poaching business They want it all from shore to plate A takeover that will kick three Cape Town ganglords known as the Untouchables out of business and destroy their luxury lifestyles Abalone means power money drugs guns No longer untouchable gang boss Titus Anders fears for the life of his daughter and calls in Krista Bishop to protect her from the madness as a gang war ignites Krista is the best She s young tough and a long way from the violence of the streets Or is she The war is everywhere Right in her own backyard And there is a secret agent waiting for her with a gun in his hand      **Agents of the State** Mike Nicol,2016-09-01 Bring in the child tracker That s Agent Vicki Kahn s assignment her first foreign mission for the State Security Agency That the child tracker is a top fashion model with connections to the president s son is an added complication Especially when Vicki watches as the model s limp body is wheeled away at Schiphol airport Then in Berlin she finds her contact dead on the kitchen floor shot in the head Get out Vicki s instincts tell her Get out now Vicki s lover PI Fish Pescado is working another case Find out who shot my husband is his brief The husband a rebel colonel from the Central African Republic taken down in a spray of bullets on the steps of St George s Cathedral As Fish digs he comes up against a local connection none other than the South African president Drop the case he s warned Go surfing And take your girlfriend Vicki Kahn with you before it s too late Secrets conspiracies vested interests commie plots Vicki and Fish are caught in the mix with only one way out      **Sleeper** Mike Nicol,2018-09-01 First there is the killing of the minister of energy Then the cop investigating the murder commits suicide Fearing a conspiracy the minister s lover hires pi Fish Pescado to find the killer Then she goes missing And Fish is being stonewalled by the cops because in the dark shadows of Cape Town there s another game being played out A complex one involving Iranian agents the theft of highly enriched uranium and the kidnapping of a top scientist Ex spy Vicki Kahn is bribed by her former handler to track the terrorists The hunt is deadly and nothing is what it seems A sleeper has been awoken isis is involved So is the cia There is chatter of a dirty
