

The Art Of The Short Story

by Ernest Hemingway (unpublished)

IN MARCH 1959, Ernest Hemingway's publisher Charles Scribner, Jr. suggested putting together a students' edition of Hemingway short stories. He listed the twelve stories which were most in demand for anthologies, but thought that the collection could include Hemingway's favourites and that Hemingway could write a preface for classroom use. Hemingway responded favourably. He would write the preface in the form of a lecture on the art of the short story.

Hemingway worked on the preface at la Consula, the home of Bill and Annie Davis in Malaga. He was in Spain that summer to follow the mano a mano competition between the brother-in-law bullfighters, Dominguín and Ordóñez. Hemingway traveled with his friend, Antonio Ordóñez, and wrote about this rivalry in 'The Dangerous Summer', a three-part article which appeared in Life.

The first draft of the preface was written in May, and Hemingway completed the piece during the respite after Ordóñez was gored on May 30th. His wife, Mary, typed the draft, and as she wrote in her book How It Was, she did not entirely approve of it. She wrote her husband a note suggesting rewrites and cuts to remove some of what she felt was its boastful, smug, and malicious tone. But Hemingway made only minor changes.

Hemingway sent the introduction to Charles Scribner and proposed changing the book to a collection for the general public. Scribner agreed to the change. However, he diplomatically suggested not printing the preface as it stood, but rather using only the relevant comments as introductory remarks to the individual stories. Scribner felt that the preface, written as a lecture for college students, would not be accepted by a reading audience which might well 'misinterpret it as condescension [Scribner to E.H. June 24, 1959]. The idea of the book was dropped.

Hemingway wrote the preface as if it were an extemporaneous oral presentation before a class on the methods of short story writing. It is similar to a transcript of an informal talk. Judging it against literary standards, or using it to assess Hemingway's literary capabilities would elevate it beyond this level and would be inappropriate. Both Hemingway's wife and his publisher were against its publication, and in the end Hemingway agreed. Hemingway relates the circumstances under which he wrote the short stories; he gives opinion on other writers, critics, and on his own works; he expresses views on the art of the short story.

The essay is published unedited except for some spelling corrections. A holograph manuscript, two typescripts and an addendum, written for other possible selections for the book are in the Hemingway Collection at the John F. Kennedy Library.
