Fessenden, 2007 Often quoted by Chuck Swindoll Charles Stanley Billy Graham and other great preachers A W Tozer s words are being heard and read by millions today words like Origin is a creature word All things have an origin But when you come back to God you come back to the One who has not origin He is the Cause of all things the uncaused Cause God is Transcendent You ll never find Him on your own He is far away in one sense but in another He is as near as your heartbeat for the cross has bridged the gulf If there is anything God could learn it would mean that God didn t know it before If he didn t know it before then He didn t know everything He wouldn t be perfect and if He isn t perfect then He isn t God The chapters of this book were originally preached as sermons at Avenue Road Church in Toronto ON Whether spoken or written Tozer s words were designed to promote personal heart religion among God s people

The Existence and Attributes of God Vol. 1 Stephen Charnock, 2023-12-01 The Existence and Attributes of God is a significant theological book written in the 17th century by Stephen Charnock a Puritan preacher and theologian This edition of The Existence and Attributes of God Vol 1 is both current and legible with an eye catching new cover and professionally typeset manuscript Some stories are gruesome and bizarre while others softly creep up on you and pull you in This massive dissertation is

divided into two parts with each volume delving into essential aspects of God's nature and qualities. In the first volume Charnock conducts a thorough analysis of God's existence. To establish the existence of an all-powerful, everlasting, and transcendent Creator, he digs into philosophical arguments, historical viewpoints, and scripture allusions. The thorough examination of Charnock addresses problems about the origin of the universe and the requirement of a divine person. Throughout the book, Charnock's language is distinguished by a great reverence for God and a commitment to logical religion investigation. He provides theological arguments in a systematic and logical manner that is understandable to both intellectuals and laypeople.

The Attributes of God Aiden Wilson Tozer, 2007. Often quoted by Chuck Swindoll, Charles Stanley, Billy Graham, and other great preachers. A.W. Tozer's words are being heard and read by millions today. Words like "Origin is a creature word. All things have an origin. But when you come back to God, you come back to the One who has not origin. He is the Cause of all things, the uncaused Cause. God is Transcendent. You'll never find Him on your own. He is far away in one sense, but in another, He is as near as your heartbeat, for the cross has bridged the gulf. If there is anything God could learn, it would mean that God didn't know it before. If He didn't know it before, then He didn't know everything. He wouldn't be perfect, and if He isn't perfect, then He isn't God." The chapters of this book were originally preached as sermons at Avenue Road Church in Toronto, ON. Whether spoken or written, Tozer's words were designed to promote personal heart religion among God's people.

Justification and the Kingdom of God, Volume One Paul ChulHong Kang, 2025-01-17. The Justification and Kingdom of God series seeks to answer the question: How can justified Christians in Jesus bear the fruit of faith, reflecting growth in God's image? To address this, the series helps readers understand what happens to the image bearers of God in Adam or in Jesus Christ. This reveals the deeper meaning of the gospel and the restoration of God's image, uncovering hidden treasures. Now the challenge is whether you will accept these treasures. The Kingdom of the Covenant emphasizes the eternal kingdom of the living God through the lens of God's righteousness. This encourages readers to remember God's righteousness, which runs through his covenants, serves as the legal standard of governance, the standard of salvation, and the standard of a good life. Just as God's righteousness is the foundation of his word for his kingdom, God's word is the standard for wisdom, knowledge, judgment, and actions. Through his word, God opens the gates of heaven and connects the present reality of lives with the eternal nature of his kingdom. Now, lives of faith on this earth carry eternal consequences. This book asks: What would you do with this gift, God's word?

Reformed Systematic Theology, Volume 1 Joel Beeke, Paul M. Smalley, 2019-03-14 The church needs good theology that engages the head heart and hands This four volume work combines rigorous historical and theological scholarship with application and practicality characterized by an accessible Reformed and experiential approach In this volume Joel R Beeke and Paul M Smalley explore the first two of eight central themes of theology revelation and God **The Existence and Attributes of God (Vol. 1&2)** Stephen Charnock, 2020-04-10 The Existence and Attributes of God in 2 volumes is a series of discourses and lectures delivered by the great Stephen Charnock to the members of his congregation at Crosby Hall Charnock discusses in a logical flow of thoughts the existence of God and the untenability of maintaining an atheistic

worldview Unfortunately however the Discourses were cut short by Charnock s death in 1680 Discourses Upon the Existence and Attributes of God Stephen Charnock,2025-07-29 Reprint of the original first published in 1840 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Church Dogmatics The Doctrine of God, Volume 2, Part 1** Karl Barth,2003-11-01 Described by Pope Pius XII as the most important theologian since Thomas Aquinas the Swiss pastor and theologian Karl Barth continues to be a major influence on students scholars and preachers today Barth s theology found its expression mainly through his closely reasoned fourteen part magnum opus Die Kirchliche Dogmatik Having taken over 30 years to write the Church Dogmatics is regarded as one of the most important theological works of all time and represents the pinnacle of Barth s achievement as a theologian T T Clark International is now proud to be publishing the only complete English translation of the Church Dogmatics in paperback **Jesus Is the Way, Truth, Life** Michael Pietrzyk,2020-08-19 If you cannot comfortably say with confidence that Jesus died for your sins and opens the door of salvation for you or that you deny Jesus then this book is for you So many Christians take Jesus for granted and so many people do not understand His torment and the suffering He endured for us We began a spiritual journey when we enter this world We have a natural body and a world full of responsibilities to challenge us on our journey We are influenced by many outside sources and personal interactions with our family members and friends Ultimately we make the most important decision of our life Do we believe in God and accept Jesus as our Savior or do we reject God and accept atheism When you analyze the facts of the life of Jesus his loving teachings his horrible suffering death and miraculous resurrection you come to understand He did it for you Jesus is the Way the Truth and the Life His teaching brings light into your life Jesus is the gateway to eternal happiness when we leave this world Atheism with its evil influence wants to drag you down and have you reject God Atheists are in total denial about God Jesus supernatural experiences something from nothing and the wisdom in the formation of this universe and mankind Atheists want you to believe you will simply rot in the ground and accept life with no future hope If you are an atheist don t laugh at this thought and concern As a Christian I care for you and your soul That is certainly more than what the atheistic thinking has in mind for you Atheism under the influence of Satan offers you nothing but the door way to eternal conscious separation from God This book is a direct challenge to the thoughts and beliefs of the atheist I wrote this book with the hope it just might stir the mind of a non believer Then believing the Holy Spirit will do the rest The Pursuit of God / God's Pursuit of Man Devotional A. W. Tozer,2013-09-01 Compiled by Edythe Draper this devotional book includes 31 daily readings from The Pursuit of God and God s Pursuit of Man interspersed throughout with Scripture and quotes from classic writers This book makes for a perfect gift **The Works of T. G. [With Preface to Vol. 1. by T. Owen and J. Barron.]** Thomas GOODWIN (D.D.),1697 Teaching Tenets of Faith in Worship James Akerson,2019-04-02 Western culture no longer has a broad Christian understanding In fact much of what American media

dishes out is pantheistic or anti religious Sociological research indicates that a multitude of beliefs have crept into Christian understandings of faith This situation is not new As early as the fifteenth century Erasmus asserted that the greatest concern of his time was that Christians were most often rank heathens when it came to their orthodoxy It is also apparent that attendance at Sunday school Vacation Bible School and other gatherings has fallen at a great rate The author believes providing Christian education in the context of worship is therefore the best opportunity for reaching believers with historical elements of faith A twenty four part lectionary based catechetical curriculum is provided for worship With it congregations can dwell in a sermon series that is surrounded by supportive full bodied worship *Pursuit of God: A 31-Day Experience* A. W. Tozer, 2008-01-01 An illustrated edition of Tozer s classic designed for discovery reflection and sharing For over seventy years A W Tozer s *The Pursuit of God* has been helping Christians understand what it means to worship the Almighty in spirit and truth Now here is a visually rich edition for seekers who want to slow down and contemplate God in 31 separate devotional readings Tozer s wise words are accompanied by graphically paced images that lead to a natural flow of personal discovery This illustrated exploration of a timeless classic allows the reader to encounter divine truths anew and share them with others The ancient psalmist cried As the deer pants for streams of water so my soul pants for you my God If you resonate with Tozer s remark that the longing heart will understand it this book is for you [John Wesley's Teachings, Volume 1](#) Thomas C. Oden, 2012-08-07 The first presentation of John Wesley s doctrinal teachings in a systematic form that is also faithful to Wesley s own writings in ebook format Wesley was a prolific writer and commentator on Scripture yet it is commonly held that he was not systematic or internally consistent in his theology and doctrinal teachings On the contrary Thomas C Oden intends to demonstrate here that Wesley displayed a remarkable degree of consistency over sixty years of preaching and ministry The book helps readers to grasp Wesley s essential teachings in an accessible form so that the person desiring to go directly to Wesley s own writings which fill eighteen volumes will know exactly where to turn This volume focuses on Wesley s doctrinal teaching Other volumes in this series deal with his ethical and pastoral care teachings

Knowing Sin Mark Jones, 2022-02-01 The first rule of combat is know your enemy We don t talk a lot about sin these days But maybe we should The Puritans sure did because they understood sin s deceptive power and wanted to root it out of their lives Shouldn t we want the same Though many books have been written on the doctrine of sin few are as practical and applicable as this one In *Knowing Sin* Mark Jones puts his expertise in the Puritans to work by distilling the vast wisdom of our Christian forebears into a single volume that summarizes their thought on this vital subject The result isn t a theological tome to sit on your shelf and gather dust but a surprisingly relevant book to keep by your bedside and refer to again and again You ll come to understand topics like Sin s Origin Sin s Grief Sin s Thoughts Sin s Temptations Sin s Misery Sin s Secrecy and of course Sin s Defeat None of us is free from the struggle with sin The question isn t whether we re sinful it s what we re doing about it Thanks be to God there is a path to overcoming sin And the first step on that path to victory is
