Sara Blackburn is determined as hell though and she's not going to take no for an answer. Soon a madman takes the choice out of Warrick's hands and he finds himself fighting for his life and Sara's. Carrie Hastings knows she has her work cut out for her if she's going to keep her shelter's new clinic open. With the police looking at one of her physicians as the prime suspect in the deaths of several homeless people, she'll need to keep her wits about her if she's going to save the clinic. Sadly, her wits seem to fly out the window when a certain detective comes asking tough questions.
