The 72 Names of God Katherine Bell, 2018-10-28 A mystical place exists in the Universe where way showers visit. Their visits occur in dreams, meditation, and contemplation. In the realms beyond Earth, time, these dimensions of higher consciousness present gifts for humanity to enhance living in matter. As a traveler through the dimensions, I am grateful to be a recipient of many modalities for healing and guidance from the realms of Spirit. I am an energy healer, a spiritual counselor, intuit, teacher, minister, and author. I most certainly give honor to the gifts the Shekinah has provided to me to pass on to others such as yourself. The Timeless Cryptograms of Healing R guide the way to higher consciousness and experiences of the mysteries active in our daily life. These sacred images support our human endeavors: Spiritually, Emotionally, Mentally, Physically, Ego wise, and Soul wise. Several years ago, the Divine Feminine inspired the vision of sacred cryptograms in my dreamtime. In more recent years, She urged me to explore the gifts inherent in the Hebrew 216 Letter Name of God, divided into 72 individual names. She directed the creation of cryptograms for each one. Please refer to About the Author to learn my story of becoming a cryptographer for the Divine. The 72 Names of God, derived from the 216 Letter Name of God, have existed for thousands of years. Ancient Hebrew Mystics revealed them. Divine inspiration led Moses to identify these names while studying the Zohar 11:51b. Other scholars recognize the same information in Exodus 14:19-21 when written in the Hebrew or Aramaic languages. Hebrew theologians conclude that Moses used these names to part the Red Sea as well as to rule and meet the challenges he and his people endured. The secret mysteries of supernaturalism allowed Moses to break the yoke of human limitations. Moses passed this wisdom on to future generations. I received guidance to place each Name of God in the cryptograms you will see and use. CD recordings and Divination Cards can also enhance your use of the cryptograms to feel the mystical vibrations of Source that move through the currents of Sound and Light. As you review what the Names of God offer for healing and enlightenment, consider the remarkable balance the Divine offers and has offered for countless years through these iterations of sacred names revealed through Divine Guidance. Moses discovered these ever-present gifts. Over the centuries, many scholars, religions, and healers aware of the miracles within the 72 names continued to pass them on for generations. What mysteries and healing qualities of these cryptograms will you explore? Merely viewing the cryptograms with an open mind and heart results in relaxation, balance, and activates Light and Sound. Adding the orchestration of tuning forks increases the vibration. As if by magick, the cryptograms evoke the Inner Healer. Balance, health, and success are experienced. The Timeless Cryptograms of Healing R in this book

represent the tip of the iceberg Since 2013 the impetus to create hundreds of cryptograms consistently arises in my dream time meditations and when contemplating healing for a specific person They are miraculous They are timeless They are the very active energy of the Light and Sound of Source Each cryptogram consists of the three Hebrew Letters that represent a Sub Name of God Each letter corresponds to a specific musical tone In addition to the tuning fork related to each letter an additional fork stimulates the pineal gland The I AM fork strikes the others to create an orchestration of tones and overtones within the Oneness of the Universe Seed like vibrations of potential that help achieve healing and enlightenment are imbedded within each individual The sight and sound of the cryptogram activates these seeds to grow and expand The orchestra of Light and Sound initiates the power of the Name of God and harmonious waves of healing and balance The 72 Names of God Yehudah Berg,2003 The power of The 72 Names of God operates strictly on a soul level not a physical one It s about spirituality not religiosity Instead of being limited by the differences that divide people the wisdom of the Names transcends humanity s age old quarrels and belief systems to deal with one common bond that unifies all people and nations as one the human soul 2012 and Beyond Yehuda Berg,2011-10-20 Drawing wisdom from the Zohar this short kabbalistic text redefines this legendary period of time as a window for individuals and communities to reach messiah consciousness That means it s up to people not some celestial savior to ignite global change All the natural disasters poverty revolutions anarchy are wake up calls to a fragmented humanity The end is near but as Yehuda explains this really means the end of dominance of the human ego In its place we will experience the unleashing of our true selves the illuminated human soul There must be a critical mass a certain threshold of transformation to capitalize on this window and when that occurs the peoples of the world will function as one body while still appreciating our differences Our collective minds have the power to bring an end to negative consciousness and birth a new existence right now **The Golden Book of Melchizedek** Joshua Stone,2001-01-24 One of the most revolutionary cutting edge books ever written on Melchizedek Ascension and the Path of God Realization Absolutely Spiritually electrifying reading Truly a Revelation for the next Millennium This book explores how to achieve Self Mastery and God Realization on a Spiritual Psychological and Physical Earthly level and how to balance the three It must be understood to achieve God Realization at the highest level one must be aware that there are Four Faces of God There is a Spiritual Mental Emotional and Material Face This most remarkable book explores and provides tools and techniques for achieving Self Realization in this lifetime in a most comprehensive easy to read easy to understand and practical manner This book is guaranteed to revolutionize and dramatically transform anyone s consciousness who reads this book This book is literally pulsating with Cosmic and Divine Spiritual energies It literally holds within it the secret codes wisdom insights and tools to unlock the Mysteries of Creation **Meditations for Soul Realization** Kok Sui Choa,2000 *The Golden Book of Melchizedek* Joshua D.
