The Abraham Principle Where Faith Science Meet:

The Abraham Principle Arnie Gotfryd, 2014-11-03 Of the world's seven billion inhabitants it seems that over half identify with a faith which is Abrahamic But why and what does that really mean Is there really any common ground between Christian and Muslim Brahman and Jew In this uniquely edutaining treatise by an ecosystems analyst gone Chassidic Dr Arnie Gotfryd explores legend and laboratory philosophy and fact in an enlightening exploration of the interplay of modern science and traditional faith Central to his theme is the notion that one elegant yet little known concept apparently developed by a child some 3 800 years ago has engendered both those great solitudes religion and science and even today holds the key to their ultimate conciliation

When Judaism Meets Science Roger L. Price, 2019-04-22 This book seeks to confront the challenge that science presents to the traditional pillars of Judaism It identifies and analyzes a wide variety of issues including some contemporary sacred cows First the book considers what is fact and what is fiction in the primary stories contained in Judaism's foundational texts Then drawing on Jewish ethical teachings it seeks to determine how Judaism and science can inform each other with respect to a broad range of contemporary issues from abortion and allergies to vaccinations and violence with firearms Finally it peeks into the future to address issues that Judaism and science are just now beginning to discuss such as an exotheology for aliens on distant planets a Jewdroid who seeks acceptance in a shul and even the fate of the universe itself When Judaism Meets Science addresses readers of all persuasions regardless of denomination and whether a believer or not as the author builds a case with specific recommendations for the value of a reality based Judaism one grounded on both traditional ethics and empirical evidence that can resonate with the educated adults of Israel

Neo-Calvinism and Roman Catholicism, 2023-06-05 In their theological and historical interactions neo Calvinism and Roman Catholicism have often met in moments of conflict and co operation The neo Calvinist statesman Abraham Kuyper polemicized against the Roman Catholic Church and its theology whilst building bridges between those traditions by forging novel political coalitions across ecclesiastical boundaries In theology Gerrit C Berkouwer a neo Calvinist critic of Roman Catholicism in the 1930s later attended the Second Vatican Council as an appreciative Protestant observer Telling their stories and others including new research on lesser known figures and neglected topics this book presents the first scholarly volume on those dynamics of polemics and partnership

Atheist Persona John J. Pasquini, 2014-04-15 In the past as in the present science has explored the reasons for belief In recent years with the rise of categorical practical and militant atheism the scientific and philosophical community has begun studying the worldview of atheism The Atheist Persona Causes and Consequences is a summary of the most recent research by the best of scholars on the subject of atheism In an effort to create a more courteous dialogue between theists and atheists this book acknowledges that while there are reasons for believing in God there are also reasons for not believing in God Atheist Persona showcases how the worldview we choose to accept determines how we live our lives and how we influence those around us

Thoughts on the Genesis of the Universe, Science, and the Divine Spiritual World Thomas Bridge,2022-08-01

This is a partial summary of the ongoing quest by mankind to understand who he is where he came from how he relates to what his senses tell him about his physical and social environment Does the continuum of change he experiences have a purpose other than what he gives it His methods of inquiry and observations using created instruments and experimentation have allowed him to discover some of the history of the universe since the beginning of space time Also the interpretation of the earth s history recorded in the rocks and rock structures the history of life recorded as fossils in time rock sequences and their relation to present day living forms and associated environments has become more clear as to man s place in the history of space time All these studies have led to a better understanding of how energy drives the forces at work that produce the ever changing present What are changes in the future that are believed by some to be even more remarkable than the amazing physical changes and processes that have been observed in the history of space time

Science and the Confucian Religion of Kang Youwei (1858-1927) Zhaoyuan WAN,2021-11-15 WAN Zhaoyuan analyses how Chinese intellectuals conceived of the relationship between science and religion through in depth examination of the writings of Kang Youwei a prominent political reformer and radical Confucian thinker often referred to by his disciples as the Martin Luther of Confucianism Confronted with the rise of scientism and challenged by the Conflict Thesis during his life among adversarial Chinese New Culture intellectuals Kang maintains a holistic yet evolving conception of a compatible and complementary relationship between scientific knowledge and true religion exemplified by his Confucian religion kongjiao This close analysis

of Kang's ideas contributes to a richer understanding of the history of science and religion in China and in a more global context
