The Age Of Jive:

Sound of the Crowd: a Discography of the '80s (Fourth Edition) Steve Binnie, 2018-11-05 SOUND OF THE CROWD
A DISCOGRAPHY OF THE 80s is the ultimate record collector's guide to the 1980s. In the era of multi-formatting, picture discs, coloured vinyl, multiple remixes, funny shaped records and tiny CDs, you could lose down the back of the sofa, this book lists every format of every single, EP and album released in the UK in the 1980s by over 140 of the decade's biggest acts from ABBA to Paul Young. This fourth edition has been fully revised and expanded to include even more acts than ever before, with additional sections to cover Band Aid style charity congregations and compilation albums from the early 80s K Tel efforts through to the Now That's What I Call Music series and its competitors. Compiled by Steve Binnie, editor of the 80s music website Sound of the Crowd and writer, producer and co-host of the unconventional 80s chart show Off The Chart broadcast weekly on Mad Wasp Radio.

Number 23 and Me Wayne Pounds, 2020-04-23 This is not just a sports story. This is not just a political story, nor is this just a pop culture story. This is a story about a script written in 1984 about a star baller who cares deeply about his community, has no father in the home, with the last name James, who skipped college and went straight to the pros, just like LeBron James. I believe and will testify to all facts herein. I believe that this is a prophetic message to our nation, sent 35 years ago from God, for today. Lace up your Nike's as we take a 35 year journey starting in 1984, the greatest year in NBA off-court history. Michael Jordan was drafted, LeBron was born in Akron, Ohio, and a Stern new commissioner named David stepped up to the plate. The story timelines MJ's career, LeBron's life and the NBA quilted together with pop culture, politics and the life of the young Scribe writer who copyrighted the script when he was 23 years old. We end the timeline in 2018. We then shoot forward 23 years with a bold prediction of America's future around the season 2040-2041, and now we are all witnesses.

Beyond Memory Max Mojapelo, 2008 South Africa possesses one of the richest popular music traditions in the world, from marabi to mbaqanga, from boeremusiek to bubblegum, from kwela to kwaito. Yet the risk that future generations of South Africans will not know their musical roots is very real. Of all the recordings made here since the 1930s, thousands have been lost for ever, for the powers that be never deemed them worthy of preservation. And if one peruses the books that exist on South African popular music, one still finds that their authors have on occasion jumped to conclusions that were not as foregone as they had assumed. Yet the fault lies not with them, rather in the fact that there has been precious little documentation in South Africa of who played what or who recorded what, with whom and when. This is true of all music making in this country, though it is most striking in the musics of the black communities. *Beyond Memory: Recording the History, Moments and Memories of South African Music* is an invaluable publication because it offers a first-hand account of the South African music scene of the past decades from the pen of a man, Max Thamagana Mojapelo, who was situated in the very thick of things, thanks to his job as a deejay at the South African Broadcasting Corporation. This book, astonishing for the breadth of its coverage, is based on his diaries, on interviews he conducted and on numerous other sources, and we find in it

not only the well known names of recent South African music but a countless host of others whose contribution must be recorded if we and future generations are to gain an accurate picture of South African music history of the late 20th and early 21st centuries

The Life and Loves of Mr. Jiveass Nigger Cecil Brown, 2008-07-29 If you re black you don t need to get at anything You re already there You can live right out of your insides So says the antihero of this legendary novel that reimagines the Bible s prodigal son as a young black man in post Civil Rights era America George Washington one of his many aliases is a classic trickster figure a blend of con artist deep thinker and willing object of white women s sexual fantasies Fed up with life in racist America he leaves his rural South for Denmark on a curious quest determined to discover if there is any mother fucker in this despitful world who ever told himself the truth In Denmark he spends his days bantering with fellow black expatriates and his nights bedding a series of white women who project their desires on him Inevitably these worlds collide with Washington aka Anthony Miller aka Paul Winthrop aka Mr Jiveass Nigger increasingly alienated in a world of opportunists A return to America after his self imposed exile promises transformation but is Washington too far gone Cecil Brown brings blistering prose unabashed eroticism and biting satire to this controversial masterpiece that s as timely today as when it was first published

Ribbin', Jivin', and Playin' the Dozens Herbert L. Foster, 1990 Every six months or so a study reports about our inability to educate black males Yet after reading Ribbin Jivin and Playin the Dozens The Persistent Dilemma in Our Schools teachers learned how to teach black males Through 99 Realities and other examples Ribbin describes discusses and explains black male street corner language and behavior and how it is played out in the classroom Too often teachers misunderstand and misinterpret their black male student s language and behavior resulting in their black male students being referred to special education or considered a discipline problem disproportionate to their numbers in the school Ribbin will provide you with the educational insight to successfully educate black males the information woefully lacking in contemporary education courses Authentic examples are provided that demonstrates how some teachers handled challenging situations with their black male students to help you develop your own teaching style relative to your persona and student population When you open Ribbin Reality 1 is a must read it recounts my first day of substitute teaching in the N Y C Public Schools and what happened to me that Friday morning I was so discouraged I considered suicide that weekend because I always wanted to be a teacher and after one day I was a failure However read how I rebounded on Monday and turned things around To enhance your ability to teach black males Chapter 8 about dress and grooming for teachers is a must In brief respect and feelings about yourself and your students is demonstrated by dressing professionally at minimum

neat and clean Your students expect you to dress well Your students will keep a record of what you wear on what day and whether that stain has been cleaned away Indeed your students will compare notes on what car you drive the watch you wear and your dress style Chapter 5 Jive Lexicon and Verbal Communication is about words students may use to dupe or test you Students must learn Standard English the sine qua non to for economic success Your students need a Standard English teaching model to emulate However teachers should learn the language their students use It is viewed as barrier busting when students observe you trying to be hip and use their language of course this means acceptable vocabulary Moreover it may be appropriate for your students to use the vernacular depending upon the subject you teach Chapter 6 about classroom contests provides information about the games some students use to con provoke or test your street knowledge Playing the Dozens from an historical perspective to how it plays out negatively in classrooms is described and explained If you are unfamiliar with Playing the Dozens also known by other names best you learn Hence examples of teachers positively handling the dozens are presented Reading Chapter 7 will help you through my Four Step Plan for Classroom Management and School Discipline You need to get order for you to teach successfully Your primary responsibility as a teacher is to figure out how to achieve an orderly and safe classroom so that your students can relax and allow you to teach them If you wish to become a successful teacher buy Ribbin If you want to be told how to become a teacher do not buy Ribbin If you see yourself as a professional teacher and willing to change your teaching behavior first in order to get your students to change their behavior purchase Ribbin In sum a well designed lesson plan will not ensure classroom success Teachers must make educational and behavioral demands on students black males in particular Ribbin demystifies this persistent dilemma Without a question black males can and must be taught Standard English mathematics and the so called middle class skills needed to make it economically in the U S
