Atmospheres of Projection Giuliana Bruno, 2022-10-20 Bringing together cultural history visual studies and media archaeology Bruno considers the interrelations of projection atmosphere and environment Projection has long been transforming space from shadow plays to camera obscuras and magic lantern shows Our fascination with projection is alive on the walls of museums and galleries and woven into our daily lives Giuliana Bruno explores the histories of projection and atmosphere in visual culture and their continued importance to contemporary artists who are reinventing the projective imagination with atmospheric thinking and the use of elemental media To explain our fascination with projection and atmosphere Bruno traverses psychoanalysis environmental philosophy architecture the history of science visual art and moving image culture to see how projective mechanisms and their environments have developed over time She reveals how atmosphere is formed and mediated how it can change and what projection can do to modify a site In so doing she gives new

life to the alchemic possibilities of transformative projective atmospheres Showing how their environmentality produces sites of exchange and relationality this book binds art to the ecology of atmosphere Three Tales of Time and Space Poul Anderson, 2018-03-27 A trio of mind blowing explorations of space and time from a multiple Hugo and Nebula Award winning author one of science fiction's most revered writers USA Today For SFWA Grand Master Poul Anderson humanity's expansion into space exploration was the logical extension of the principle of individual liberty and a natural response to profound existential curiosity He remained endlessly fascinated by the possibilities of limitless frontiers penning more milestones in contemporary science fiction and fantasy than any one man is entitled to Stephen Donaldson Here are three of Anderson's most memorable tales of time and space travel There Will Be Time Born with a strange genetic mutation Jack Havig can travel backward and forward in time at will He's journeyed to ancient Rome and the Wild West and into the far future to a world nearly obliterated by nuclear war But after he is admitted into a secret time traveling organization he stumbles upon a horrific plot to irrevocably alter the destiny of humankind The Enemy Stars In the twenty third century four astronauts hailing from different worlds have been entrusted to explore a long dead star located light years beyond where humanity has previously traveled But when the black sun's magnetic field destroys their only means of returning home these four strangers must work together to survive or together they will perish Fire Time Fire Time is coming to Ishtar This once in a millennium environmental catastrophe occurs when one of the planet's three suns encroaches on Ishtar's surface Indigenous nomadic tribes desperate to escape scorched homelands that will be rendered uninhabitable have declared war on their more civilized brethren to claim their territory Caught in the middle are human colonists from Earth searching for a solution to both civil war and an approaching apocalypse **Almost Brown** Charlotte Gill, 2024-08-20 A Canadian masterpiece Toronto Star A tender and incisive memoir tracing the journey of a biracial globe trotting family that reckons with diversity race and identity from the award winning author of Eating Dirt It wasn't simply a question of skin or belonging or the Englishness of Mom or the Indianness of Dad or some murky middle state in between It had become a curry of emotion and allegiance and identity everything cooked together all at once With an Indian father and an English mother young Charlotte Gill's family houses a dizzying blend of two distinctly different cultures featuring turbans and tube socks chana masala and Cherry Coke Until one day the family implodes Her parents divorce her intercultural world fractures and a silence falls between Charlotte and her father Charlotte heads off to university Inheriting her family's nomadic nature she takes off backpacking and eagerly wears her passport down to a pulp And as the years pass her father's absence feels heavier a loss that only seems to grow She begins to unravel how connection to family is inextricably linked to identity her childhood her understanding of race and diversity and her ability to reclaim space for forgiveness and love Almost Brown is an exploration of diasporic intermingling involving two deeply eccentric parents from worlds apart and their half brown children who experience the paradoxes of life as it's lived between race checkboxes It's a funny turbulent and ultimately

heartwarming memoir about the brilliant messiness of a mixed race family and a search for answers to the question What are you

Gorky's Tolstoy & Other Reminiscences Maksim Gorky, 2008-01-01 Maxim Gorky 1868 1936 enjoyed worldwide fame of a kind unmatched by that of any other writer in the first half of the twentieth century Prodigiously gifted and prolific riddled with contradictions praised increasingly for political rather than literary reasons he left a vast body of writing that contains acknowledged masterpieces alongside many currently neglected works that still await impartial assessment Taken together the pieces in this book many of them based on fuller texts than those of previously published translations present a surprising and unfamiliar Gorky a figure who once the clichés are stripped away from him becomes ever more fascinating and enigmatic as man as writer and as historical figure Among the volume's selections are portraits of Gorky by four particularly astute observers poet Vladislav Khodasevich critics Boris Eikhenbaum and Georgy Adamovich and novelist Evgeny Zamiatin Fanger's generous annotations and brilliant introduction will make this book indispensable to every reader with an interest in Tolstoy Gorky modern Russian literature and politics or the art of the memoir

Darkest Vow J. Newman, 2014-06-11 When a kidnapping of a wealthy playboy occurs Private Investigator Joseph Riley must unravel the tentacles of truth to discover what is hidden at the core of his client's darkest vow In 1943 San Diego as the rest of the city keeps watch on the war in the Pacific Joseph Riley recounts a year old case that proved to be anything but ordinary It was a normal day in October of 1942 as normal as any other day would be when a new client walks into Joseph Riley's office Alexis Santorum recently married is a woman whose many shades of beauty provides a facade to the many shades of her predicament and personality At the root of her problem is an abducted husband William Santorum a known panderer and playboy and a past that she can't seem to outrun She employs Riley to help her find out who is at the center of the kidnap and ransom but taking on the case thrusts Riley into a world of conspiratorial angles With every clue the angle shifts the questions mount and the truths become murkier until the unimaginable becomes imaginable As Riley vows to see the case through to the end his suspicions that Alexis has hidden the truth beneath the folds of her public facade mount and he finds that he must untangle the web of lies and deceptions to find out just how innocent his client is

The Knowledge of Good and Evil Tommy Anthony, 2011-03-06 The final masterpiece of the Life of Easter series Poetry journals letters dreams adventures from Milwaukee to the Oregon Coast to Seattle and back

Looking for Mr. Nobody Jenny Rees, 2000 Goronwy Rees 1909 1979 was one of the most gifted and promising figures in the constellation of British poets journalists and intellectuals of the 1930s that included Louis MacNeice W H Auden C Day Lewis Isaiah Berlin and Anthony Blunt Like many liberals of his generation he was shocked by the effects of the Depression and correspondingly sympathetic to the Communist regime in Russia Guy Burgess of the Cambridge spies Burgess Maclean Philby and Blunt admitted his espionage to Rees His association with Burgess was to blight the rest of Rees's life When Burgess defected in 1951 and Rees denounced him to MI5 Rees was viewed more as a spy out to save his own skin than as an honorable citizen His anonymous sensationalist articles in *The People* denouncing

Burgess's political activities and all but naming names condemned him with the British intellectual community not for his politics but for his betrayal of a friend. Colleagues and acquaintances accused him of trying to initiate a McCarthyite witch hunt. He lost his job. His academic career was ruined. In *Looking for Mr Nobody* Jenny Rees deals with many of the old charges made against her father in her search for the answer to her own question: Was he too a spy? Had he joined up with Burgess and Blunt and passed secrets to the Soviet Union? Her quest for the truth reveals a fascinating portrait of a brilliant but flawed man of letters, handsome and seductively charming, caught up in the radical political commitments of the 1930s: Communist Party membership and his tortured relationship with the notorious Cambridge spies. In a straightforward, unsentimental manner, the author reviews the main aspects of Rees's career, professional affiliations, his conflict with academic enemies, and his anti-Communist writings for *Encounter* after the war. While Fleet Street continued to denounce Rees as a suspected Soviet agent, his daughter went to the only place that could give his ghost rest: to the files of the KGB in Moscow. There she found proof that, as his friends had always believed, he had never been recruited by the KGB and whatever intelligence links he may have had with Burgess were severed in 1939. Jenny Rees's book reads like a parable of the Cold War. It provides additional insight into the troubled decade of the 1930s and will be of interest to students of politics and the Cold War, social history, and the general reader concerned with moral and intellectual dilemmas of modern times. The introductory essay by Diana Trilling places this riveting story in the context of place and time. Jenny Rees Goronwy Rees's eldest child has been a newspaper journalist for most of her working life. She has been a reporter and feature writer for the *Daily Mail*, the *Daily Express*, and the *Daily Telegraph*. **Zaibatsu** Lewis Perdue, 2010-12-28 Mark Stanton, a successful currency trader, gets caught up in a secret plot to bring about a collapse of the dollar. **Sounding New Media** Frances Dyson, 2009-09-04 Examines the long neglected role of sound and audio in the development of a new media theory and practice, including new technologies and performance art events, with particular emphasis on embodiment art and technological interactions focusing on technologies that became available in the mid-twentieth century: electronics, imaging, and digital and computer processing. [Exploration of Mythological Elements in Contemporary Narratives](#) Murat Kalelioğlu, V. Doğan Günay, 2021-08-10 Mythology offers a set of cultural codes that have played an essential role in the construction of culture, social life, and identity for the entirety of human history. The transfer of mythological elements to humanity has been achieved through both oral and written narratives in literature. This volume compares the themes of mythological elements used in contemporary narratives with the motifs of classical narratives and investigates the functions of those elements pursuant to semiotics and narratology. **Alien Abductions and UFO Sightings 5-Book Bundle** Chris A. Urban III,2008-05-08 The War Between the States is finished In the wake of the bloodiest military conflict in American history Malcolm Jefferson a former Confederate officer created an international shipping fleet that was suddenly catapulted into the most successful merchant house in the world when luck cunning and ruthlessness gave him access to radical new technology discovered after an armada of alien ships attacked our world in a holy war of conquest It is 1877 and steam powered vessels now patrol the cosmos lunar colonies are established new species are discovered and alliances are formed Foreign mystics psychic warriors and Martian shock troops now do battle with Union soldiers interstellar colonials and alien mercenaries Amidst this chaos a Martian princess following a prophecy that declares she is the key to interplanetary peace is brought to Jefferson whose own destiny gives him a blessing that will bring about that salvation or interstellar destruction **Skyhook** Werner Lossau,2011-10-11 SKYHOOK deals with the spirituality of man as well as with hidden mind content that influences him daily often adversely When Art Painter the inventor of Nuon a gas lighter than hydrogen discovers that he has schizophrenic tendencies he follows the malady s cause back to prehistoric times when the Earth was colonized by inhabitants of a strange planet Art s journey takes him from the dim reaches of a dangerous past into an unsavory present where he has to work out his own salvation and that of those dear to him Part One of SKYHOOK Creator s Fate is set in ancient Earth times For Part Two Embodiment s Consequences and Part Three Duality s Dilemma today s South Africa is the setting **Locked Secrets** Elowen Vale,2024-07-23 Will you dare to unlock the truth or will it bury you alive Regan s world shattered the day her son Chase was senselessly murdered The case went cold leaving a gaping hole in her life and a relentless ache for justice But when her former boss Tommy is found dead after reopening Chase s investigation Regan knows it s no coincidence Locked Secrets is a gripping psychological thriller that plunges you into a chilling labyrinth of secrets As Regan delves deeper into Tommy s trail she uncovers a tangled web of deceit that stretches

far beyond what she ever imagined Find out Who silenced Chase and why Can Regan expose the powerful conspiracy that threatens to consume her Will the truth set her free or is she walking into a deadly trap Locked Secrets A Psychological Thriller by Elowen Vale is a heart pounding exploration of loss betrayal and the unwavering fight for justice It will keep you guessing until the very last page where a shocking revelation will leave you breathless *Eat Pray Love* Elizabeth Gilbert,2007-01-30 One of the most iconic beloved and bestselling books of our time from the bestselling author of City of Girls and Big Magic Elizabeth Gilbert Elizabeth Gilbert's *Eat Pray Love* touched the world and changed countless lives inspiring and empowering millions of readers to search for their own best selves Now this beloved and iconic book returns in a beautiful 10th anniversary edition complete with an updated introduction from the author to launch a whole new generation of fans In her early thirties Elizabeth Gilbert had everything a modern American woman was supposed to want husband country home successful career but instead of feeling happy and fulfilled she was consumed by panic and confusion This wise and rapturous book is the story of how she left behind all these outward marks of success and set out to explore three different aspects of her nature against the backdrop of three different cultures pleasure in Italy devotion in India and on the Indonesian island of Bali a balance between worldly enjoyment and divine transcendence Creating Communities Nourit Melcer-Padon,2018-05-15 How does historical reality interrelate with fiction And how much are readers themselves involved in the workings of fictional literature With innovative interpretations of various well known texts Nourit Melcer Padon introduces the use of literary masks and illustrates literature's engagement of its readers ethical judgement She promotes a new perception of literary theory and of connections between thinkers such as Iser Castoriadis Sartre Jung and Neumann The book offers a unique view on the role of the community in post existentialist modern cultural reality by emphasizing the importance of ritual practices in literature as a cultural manifestation **Surface** Giuliana Bruno,2014-06-09 What is the place of materiality the expression or condition of physical substance in our visual age of rapidly changing materials and media How is it fashioned in the arts or manifested in virtual forms In *Surface* cultural critic and theorist Giuliana Bruno deftly explores these questions seeking to understand materiality in the contemporary world Arguing that materiality is not a question of the materials themselves but rather the substance of material relations Bruno investigates the space of those relations examining how they appear on the surface of different media on film and video screens in gallery installations or on the skins of buildings and people The object of visual studies she contends goes well beyond the image and engages the surface as a place of contact between people and art objects As Bruno threads through these surface encounters she unveils the fabrics of the visual the textural qualities of works of art whether manifested on canvas wall or screen Illuminating the modern surface condition she notes how fa ades are becoming virtual screens and the art of projection is reinvented on gallery walls She traverses the light spaces of artists Robert Irwin James Turrell Tacita Dean and Anthony McCall touches on the textured surfaces of Isaac Julien's and Wong Kar wai's filmic screens and travels

across the surface materiality in the architectural practices of Diller Scofidio Renfro and Herzog de Meuron to the art of Doris Salcedo and Rachel Whiteread where the surface tension of media becomes concrete In performing these critical operations on the surface she articulates it as a site in which different forms of mediation memory and transformation can take place Surveying object relations across art architecture fashion design film and new media Surface is a magisterial account of contemporary visual culture

From Darkness Into Light Erwin Von Greiff, 2008-12 Recalling Gurdjieff's intent for his first series To destroy mercilessly without any compromises whatsoever in the mentation and feelings of the reader the beliefs and views by centuries rooted in him about everything existing in the world For years Gurdjieff's followers have been working reading struggling to understand his writing We are like miners chipping away at the rocks of his books seeking the dog he so carefully buried That dog has been waiting patiently to be disinterred but we have been digging with the wrong tools A few new shovels and picks which may be helpful are suggested in this book They are here for the taking use them as you will As a word of caution though be careful when you pull the dog out He can be at times a bit wild And let's face it he's probably hungry after fifty years underground That is to say that dog could jump up and bite the legs right out from under some of your more treasured beliefs or it might even bite you somewhere dearer The purpose of the second series is To acquaint the reader with the material required for a new creation and to prove the soundness and good quality of it It is a ripening of time The seeds of Gurdjieff's Picture form language have been planted for over five decades and are now ready to burst through the soil of our Psyche to reveal the holographic images of the messages he intended for us And the purpose of the third series To assist the arising in the mentation and in the feelings of the reader of a veritable nonfantastic representation not of that illusory world which he now perceives but of the world existing in reality And with regard to languages Russian and English Gurdjieff said both these languages are like the dish which is called Moscow Solinka and into which everything goes except you and me in fact everything you wish and even the after dinner chesma veil of Sheherazade And from behind that veil Gurdjieff's hand now reaches to pull back the curtain enabling us to see if we will but open our eyes to the images hidden behind the words the esoteric teaching
